## YANNIGANS CLOUT REGS FOR VICTORY

Youngsters Turn Tables on First-Stringers and Win Contest, 5 to 3.

### WORK PLEASES MCCREDIE

Portland Magnate Satisfied That Buckaroos Will Hold Own—Clow, Pitcher, Wins Praise for Work in Box; Fisher Out of Game.

BY JAMES J. RICHARDSON.  
TRAINING CAMP, Pendleton, Or., April 20.—(Special.)—With Manager Fisher out of the game today on account of a sprained back, the Yannigans managed to turn the tables on the Regulars, score, 5 to 3, in a battle that was replete with sensational plays and hard hitting by the Yannigans.

The Yannigans came back in their half of the fourth and tied up the score. Bourg singled and took second when McKinley hit to left. Clow singled, scoring Bourg. McKinley taking third. Hollocher singled, scoring McKinley. The Yannigans peppered up and took the lead in the fifth, when Teck doubled and scored on Peterson's single. Second Baseman Shoup held the ball after the throw in and caught Teck napping five feet away from the base. Teck, manager to send back to the cushion while the umpire was sound asleep and was not called out. Then Pembroke kissed the pellet for two batters scoring Peterson.

Cox scored the third and final tally for the regulars in the seventh, when he doubled to left and scored on Feurborn's single to the second base. Mitchell hopped in a fast one in the eighth inning that Bourg clicked for a home run, putting the game on "ice" for the Yannigans.

Double plays were frequent today, the Yannigans getting away with three, while the regulars chalked up two.

Judge McCredie is satisfied with the showing of his players and is confident the Buckaroos will finish well up in the Pacific Coast International race. Much improvement is expected with the work of Pitcher Clow and the Band youngster may land a job as a regular. Second Baseman Haney and Third Baseman Altermath are expected in tomorrow night.

Judge McCredie and the sporting writers will leave for Portland after Sunday's game.

Cox was examined today for the draft and passed 100 per cent perfect. He is way down on the list and may not be called until next fall.

Right Off the Bat.

John Hummel, for many years with the Brooklyn club, and last season first baseman for the Buffalo International, is now playing an outfield position for the San Francisco club.

Sam Crawford has made a fine start with the Los Angeles club of the Pacific Coast League. His fielding, throwing and batting were features in the first game that he worked.

Little Rock fans are very enthusiastic over the team that Kid Eberfeld has lined up, and they figure that the team will play an important part in the coming pennant chase.

Chief Bender insists that he can make more money pitching semi-professional ball in and around Philadelphia, so he has passed up the opportunity to continue as major leaguer.

Van Green's work with the Athletics this Spring has led some of the critics to believe that the veteran southpaw will have another very successful campaign.

through with baseball. He intends to devote his time to his farm in Indiana and will not report to the Kansas City club.

Another major league ball tosser has arrived in France. Mike Menowsky has landed "Over There" where Hank Gowdy, Sherrod Smith, Harry Grant, Harry McCormick and others were already working.

Rumor has it that Ham Hyatt, for many years noted as a pinch hitter with the Pirates and now in the minors, is wanted by a certain major league club to fill a similar role.

It is figured that Connie Mack picked up a valuable pitcher in Scott Perry, the former Southern League star. Perry was with the Cubs last in the 1916 season, but played independent ball last season.

The Boston Red Socks pitcher, Yankee catchers and infield and the Detroit outfield would make quite a ball club; good enough for any league. What?

After Alexander joins the Army the Cubs will have a tough time trying to stay in the first division.

Sam Crawford's playing has been the sensation of the early games of the Pacific Coast League race. The former Tiger is stationed in right field for the Los Angeles club.

Gregg and Myers will be the leading pitchers of Connie Mack's staff this season.

Dan Howley, who was trying to become the manager of the Indianapolis club, may now succeed Nap Lajoie as the leader of the Toronto team.

Manager Howard, of Oakland, got a good start in the Pacific Coast League race. His team won the first five games.

## COOS TO HAVE BASEBALL

FOUR-TEAM INDUSTRIAL CIRCUIT POSSIBLE THIS SEASON.

Shipbuilders Include Many With Ability in Game and Organization of Nine is Beginning.

MARSHFIELD, Or., April 20.—(Special.)—After three years without any baseball, 1918 will see four and perhaps more fast teams in the field in Coos County and likely a league of at least four units. Power has already put two nines into play and staged its first game on a recent Sunday, when the town aggregation defeated the soldiers 8 to 7.

The shipbuilding and logging bulge has brought many expert players into this territory and as the season advances different industrial establishments are forming up their ballplayers and preparing to organize teams.

The Coos Bay Shipbuilding force of 600 men is being canvassed for players and Coach Cal Langworthy finds the yard will produce an amazing number of aspirants for places.

The Kruse & Banks shipyard is likewise being canvassed for players and preparing to organize teams. From all industrial centers there is assurance of earnestness and every establishment is getting out of the clubhouse and league men being available.

One section of the county has several men who have played in the Southern League and there is liberal distribution of sandlot and city league men in other quarters.

## MANY AGGIES TO ENTER

O. A. C. TO BE WELL REPRESENTED AT INDOOR MEET HERE.

Men Will Compete in All Events With Possible Exception of Shotgun if 12-Pound Shot is Used.

OREGON AGRICULTURAL COLLEGE, Corvallis, April 20.—(Special.)—O. A. C. is going to be well represented in the big indoor military and open field meet to be held in the Ice Palace at Portland April 26. Men will be entered in every event with the possible exception of the shotgun. It is understood here that a 12-pound shot is to be used, and if this is the case, Coach Pipal is not sure that he will enter any man in that event, as the 16-pound shot is the only one used in intercollegiate meets, and the meet with University of Oregon is only a week away.

Green, Carter and Mattox will be the entries in the sprints. Seena will be the entry in the 440-yard run, all probability. Captain Coleman will take care of the 880 and mile for O. A. C. Reynolds will also enter in these events and it is likely that Swan will run the 880 and Bullard the mile. Springs, Ford and Sullivan will be the men entering the two-mile race. Elkman, Radcliff and Horner will enter in the hurdle races. Heardo will also be entered in the low hurdles if it is so he can bring out a patrol ambulance for the ball team. Elkman and Walte will be the entries in the high jump.

BASEBALL GAME BENEFITS Castle Rock Business Men Stage Contest to Aid Red Cross.

CASTLE ROCK, Wash., April 20.—(Special.)—A baseball game played by the male population of the town for the benefit of the Red Cross, the North Side against the South Side, composed of professional and business men and high school boys, Friday brought in the sum of \$86 for the fund, resulting in a victory for the South Side, with a score of 11 to 10.

Quite a source of revenue was derived from the efforts of the special police force to preserve order and also to protect the umpires. Even the band, headed by the Mayor, was arrested and brought in a patrol ambulance before the court, charged with not giving sufficient music to drown the rosters. The fines went to the Red Cross fund. Business houses were closed during the game.

U. of O. Medics Defeat Hill. The University of Oregon Medical College baseball team, took the Hill Academy into camp to the tune of 23 to 3 yesterday afternoon. The feature of the day was the playing of Baker and "Stub" Johnson, of the medics, Baker allowing but three scattered hits and Johnson, in six times at bat, slugging out four homers, one double and taking one base on balls. Boy, page Judge McCredie, on balls.

Tommy Mowatt Is Dead. CHICAGO, April 20.—Tommy Mowatt, a widely known lightweight boxer, died today. He had been ill for some time with tuberculosis.

## WASHINGTON LEADS RACE FOR PENNANT

Three Wins and No Losses Place School Top of League After Two Weeks' Play.

### STARS BEGIN TO DEVELOP

Sensational Playing Features in Games—Schedule for Coming Week Includes Six Games. Washington-Jefferson Play.

Intercollegiate Baseball Standings.

Washington 3 0 1000 Commerce 0 1 0000 Franklin 1 0 1000 Hill 1 0 1 000 Jefferson 1 0 1000 Benson 1 0 1 000 Lincoln 1 0 1000 Columbia 0 1 0000 C. Brothers 1 1 5000 James John 0 2 5000

With the second week of intercollegiate baseball over, Washington High School is leading the league with three wins and no defeats and seems to have an edge on the championship race, but as the East Side team has six games yet to play, it is too early to predict who will win the coveted play. Up to date Washington has met and trimmed James John, Christian Brothers and Columbia. The Columbia team was a big favorite over Washington in their contest Friday and up until the eighth inning lived up to expectations. In the eighth Bob Tucker, the Columbia twirler, made an ascension and the Washington tossers slammed in five runs before the fireworks were over. The eighth inning marked Tucker's retirement, in favor of Robinson.

Columbia staged a nice at-bat rally, bringing in four runs, but failed to tie the score, losing out 10 to 9.

Scott, the big Washington pitcher has won all three games for Washington and, along with Thompson of Franklin, looks to be the best bet in the slabster line in the league. Although a trifle unorthodox, Scott always manages to strike out his man at the right time and keep himself out of the hole.

Ed Thompson, the Quaker pitcher, fanned 12 men in the Franklin-Commerce game and played a good game. Thompson is inclined to streaks of wildness, but the Christian Brothers, getting out of a bad hole and looms up big.

In the catching department, Rogeway, of Commerce, and Tucker, of Columbia, look the best up to date. Both Tucker and Rogeway have an unerring peg, and in the Franklin-Commerce game they were well balanced. Rogeway has a fine faculty of getting out of a bad hole and looms up big.

Gerth Cole, of Lincoln, and Johnny Keating, of Columbia, seem to be the class of the shortstops in the first games.

At first base, "Dude" Hitchcock, of Washington; Irwin Cole, of Lincoln, and Dunbar, of Christian Brothers, have come through with some classy playing.

No sensational second-sackers have come to light in the first two weeks of play, but Morris Rogeway, of Lincoln, looks good. Neither has any first-rate third baseman stepped into the limelight. Brock, of Christian Brothers, has played a fairly consistent game.

In the outfield, Jack Keating, of Christian Brothers, and Ed Murphy, of Columbia, loom up the best. Keating is playing an exceptionally good game. Benson Tech, has a well balanced team and should give the other teams in the league a run for their money. In their game against Christian Brothers the other day the Tech ballplayers displayed some real knowledge, and if their pitcher, Baker, gets going and settles down he will be a winner.

Washington High School has proved to have the best all-around team up to date, and will be hard to upset. Lincoln and Franklin should both make the Washington team step.

There will be six games played this week. On Tuesday, April 23, Columbia will meet Commerce on Multnomah Field and Christian Brothers will clash with Franklin on the East Twelfth and Davis streets grounds.

Commerce lost to Franklin, 5 to 3, last week and Columbia lost to Washington, 10 to 9. The Commerce-Columbia game should be one of the best. The Christian Brothers team has won one game and lost one, while Franklin has won its only game of the season. Both of Tuesday's games should be good ones.

On Wednesday, April 24, Jefferson will play Washington on Multnomah Field and Hill will play Lincoln. The Friday game, which has not yet been chosen for the Hill-Lincoln game, but will probably be East Twelfth and Davis streets.

The Jefferson-Washington game is nearly as big an annual affair as the Lincoln-Washington game and will, without doubt, draw one of the biggest crowds of baseball fans in the city. On Friday, April 26, will find Benson clashing with Franklin out at the Franklin "platter" and James John meeting Christian Brothers at East Twelfth and Davis streets. This week's schedule will give Franklin and Christian Brothers each two games.

"Tick" Malarky's Columbia Prep ball tossers will tackle the Miller & Tracy team of the Inter-City League at the Columbia campus this afternoon at 2 o'clock. Tucker will work in the box for Columbia, while Ed Thompson, the Franklin twirler, who is playing Sunday ball with Miller & Tracy, will do the pitching for the City Leaguers.

Christian Brothers also have a practice game billed for today with an independent team.
