

RULES GOVERNING REGISTRATION OUT

Department of Justice Defines Women Alien Enemies in Specific Terms.

AGE OF 14 IS LOW LIMIT

Work of Enumerating Subjects of Kaiser Resident in Portland, Will Be in Charge of Captain Harms, Traffic Department.

Rules and regulations governing the registration of women aliens who are subjects of Germany were received yesterday by Chief of Police Johnson from United States Marshal Alexander. In accordance with instructions Captain Harms, of the traffic department, who will have charge of the registration in Portland, has started preparations to conduct the work. The registration will begin Monday morning, June 17, and will terminate at 8 o'clock on the evening of June 26.

All women, natives, citizens, denizens or subjects of the German Empire, between the age of 14 and upwards, now within the United States and not actually naturalized as American citizens, are required to register as German alien women. Women subjects of the Austro-Hungarian Empire are not required to register under the President's proclamation of April 18, 1918.

Registration Places Announced. In cities or municipalities which had, by the Federal census of 1910, a population of 5000 or over, the registration will take place in the police stations; in all other communities known as non-urban areas, the registration will take place in the postoffice in non-urban areas immediately contiguous to a city receiving mail or rural free delivery routes emanating from the postoffice of such city or served with mail by such postoffice, a registrant shall register in the postoffice, but she shall be deemed a registrant of the non-urban area in which she resides.

Naturalized Women Free. A woman originally a native or subject of Germany, if she has become naturalized in the United States, is not a German alien required to register. Any American woman who marries a foreigner takes the nationality of her husband, but the naturalization of the husband as an American citizen restores to the wife American citizenship. The marriage, prior to April 6, 1917, of a German alien woman to a citizen of the United States naturalized her as an American citizen.

Other provisions of the woman registration proclamation follow: A female native, citizen, denizen or subject of Germany, who has acquired American citizenship by marriage to an American, is presumed to retain the same, after the termination of the marital relation by death or absolute divorce, if she continues to reside in the United States, unless she makes formal renunciation thereof before a court having jurisdiction to naturalize aliens; or if she resides abroad, she may retain her American citizenship by registering as such before a United States Consul within one year after the termination of such marital relation.

Marriage Naturalizes Family. The marriage of a German alien widow to an American citizen prior to April 6, 1917, naturalized as American citizens herself and such of her foreign-born minor children as were dwelling within the United States at the time of such marriage or who became permanent residents of the United States before reaching their majority.

First Papers Not Sufficient. A female Native, citizen, denizen or subject of Germany, who has not become an American citizen by marriage, remains a German alien required to register hereunder although she has declared her intention to become a citizen of the United States by taking out first papers of naturalization, or has been partly or completely naturalized in any country other than the United States.

The naturalization of an American citizen of an alien naturalizes her foreign-born minor children who reside permanently within the United States at the time of her naturalization and also those of her minor children so born who become permanent residents of the United States before reaching their majority. A female child born in Germany of a father at the time of such child's birth a native, citizen, denizen, or subject of Germany but subsequently naturalized as an American citizen while such child was minor, is not a German alien required to register hereunder.

OREGON IS STRONG FOR DRY MEASURE

Majority of Candidates for Legislature Favor National Amendment.

INQUIRIES ARE SENT OUT

Of 81 Aspirants for 75 Places in Two Houses, 47 Pledge Themselves, if Elected, to Support Federal Movement.

Ratification of the National prohibition amendment to the Federal Constitution by the Oregon Legislature next January is virtually assured, according to revised information gathered by the Anti-Saloon League. Of 81 candidates for 75 places in the Legislature to be elected next November, 47 have pledged themselves, if elected, to vote for National prohibition. Of the other candidates, 32 failed to place themselves on record and two were nominated by having their names written on the ballot in the primary election after the poll of the prospective members of the Legislature had been taken by the Anti-Saloon League.

The foregoing figures represent the attitude only of 63 candidates—59 Republicans and four Democrats—for the 75 places as State Representatives, and 18 candidates—14 Republicans and four Democrats—for the 15 seats in the State Senate. The Anti-Saloon League has not sounded out the 15 holdover Senators as to the pending amendment, but at the 1917 session every one of these holdover Senators voted for the Anderson bone-dry law.

Six Senators Doubtful. Of the 18 candidates for State Senator, 11 are unequivocally pledged to vote for the amendment, six declined to go on record and one, Frank H. Porter, Republican, of Linn County, did not have an opportunity to express himself. Of the 63 candidates for State Representative, 36 declared for the amendment, 26 declined to commit themselves and one, Charles C. Childs, Republican, of Linn, was not interrogated by the Anti-Saloon League.

Shortly before the primary election the Anti-Saloon League sent the following letter to every candidate, Republican and Democratic, who had filed for State Senator or State Representative: "Will you vote to ratify this amendment (providing for National prohibition) and make it part of the Constitution of the United States, and thus write into the fundamental law of our Nation the prohibition of the liquor traffic?" It was based upon their replies to this direct question that the various legislative candidates were classified as indicated by the figures herein quoted.

Many Reply to Inquiry. Appended is a complete list of the candidates for the two branches of the Legislature, classified according to the result of the Anti-Saloon League poll. Unless otherwise indicated, the candidates are Republicans. For the amendment: Senate—A. Al Jones and Louis Lachmund, Marion County; G. H. Foster, Lane; John B. Bell, Lane and Linn; I. L. Patterson, Benton and Polk; Walter A. Dimick, Clackamas; John Gill, Multnomah; W. W. Banks, Clackamas, Columbia and Multnomah; A. W. Norblad, Clatsop; Cofon R. Eberhard, Morrow, Umatilla and Union; Roy W. Ritter, Umatilla.

House—S. A. Hughes, Seymour Jones, David H. Looney, Ivan Martin and George W. Weeks, Marion County; Robert S. Acheson, Linn; Louis E. Bean and H. C. Wheeler, Lane; Charles A. Brand and Roy Griggs, Douglas; C. A. Sidler, Josephine; Benjamin C. Sheldon and J. A. Westerland, Jackson; W. P. Lafferty, Benton; B. F. Jones, Lincoln and Polk; J. M. Crawford, W. E. Dennis and C. R. Mathis (Dem.), Yamhill; Loyd M. Graham and E. W. Haines, Washington; Harvey E. Cross, Clackamas; David E. Lofgren, Clackamas and Multnomah; Herbert Gordon, Captain O. W. Howford, H. L. Ideman, Joseph G. Richardson and Eugene E. Smith, Multnomah; E. N. Hurd and J. E. Roman, Clatsop; Denton G. Burdick and George H. Merryman, Crook; Deschutes, Grant, Jefferson, Klamath and Lake; Charles Albert Small, Union; D. M. Cartmill, Baker; P. J. Gallagher, Harney and Malheur; A. M. Wright, Gilliam, Sherman and Wheeler; Mrs. Alexander Trompson (Dem.), Hood River and Wasco.

Several Decline to Answer. The following candidates declined to answer the letter from the Anti-Saloon League and place themselves on record as to the amendment: Senate—Samuel M. Garland (Dem.), Linn; Norborne Berkeley (Dtm.), Mor-

row, Umatilla and Union; C. M. Thomas and Charles T. Sweeney (Dem.), Jackson; W. E. Strayer (Dem.), Baker, and W. T. Vinton, Yamhill. House—D. C. Thoma, Linn; David M. Graham, Lane; A. K. Peck, Coos; J. H. Stannard, Coos and Curry; William H. Gore, Douglas and Jackson; W. V. Fuller, Polk; C. J. Edwards, Tillamook and Yamhill; William G. Hare, Washington; Henry A. Dedman and C. OREGON CITY, Or., June 1.—(Special.)—The committees of the Red Cross in the various departments of the Crown-Willamette Paper Company's mills at West Linn are signing up patriotic workmen to work July 4 instead of having the usual Fourth of July picnics, as planned, the men to donate their day's wages to the Red Cross and to ask the company to donate to the same good cause the money usually spent for the celebration. The movement was started at a meeting of workmen held Tuesday, May 21, this being a big patriotic rally, when Lieutenant Rolston addressed the millmen. It is reported that more than half of the men have already agreed and that not a single workman has been found who has refused to help the worthy cause.

GIRLS GOING THROUGH MANUAL OF ARMS IN COMMAND OF ROBERT KROHN. Marching with the swing of well-trained soldiers and going through the manual of arms with precision and military smartness, the girls of St. Helen's Hall military training unit performed all the evolutions of close-order drill and arm exercise on the school grounds yesterday before a large audience of friends and invited guests. The splendid training which the performance of the girls showed was the result of instruction given them during the year by Professor Robert Krohn, who commanded the review yesterday. After he had directed the girls in a number of complicated movements, in addition to those usually performed by soldiers in the Army, the student officers were put in charge of their units and drilled them unassisted in competition for military prizes offered for the best-trained sergeants, corporals and privates. Each sergeant put her platoon through close-order drill and manual of arms, each corporal did the same thing with her squad, and the privates were judged for their proficiency and precision in the drills. Veina Smith was declared the best sergeant and she was awarded the first prize, a medal of military excellence. Eleanor Simpson was awarded the second prize medal for her good work as a corporal, and Ruth Jenkins won the third prize medal for being the best private in the company. The winners were awarded the prizes by Professor Krohn. During the afternoon the guests at the drill were entertained with a clever playlet by members of the St. Helen's Hall Spanish department and the girls of the graduating class served the annual senior tea to numerous friends and guests.
