Over 100 Portland Teachers Already Enrolled in Oregon's Industrial Army.

WORK FOR 1000 PROBABLE

Drive of Boys' Working Reserve on Berry Fields of Hood River Val-

A battalion of young women school teachers in the industrial army will help in the seasonal harvest of Oregon. More than 100 are now enrolled in the records of J. W. Brewer, farm help specialist, at room 704. Chamber of Commerce, and he will place them in the different classes of work in which they are best qualified.

Berry growers of the Salem district are already appealing for early assistance in taking care of their harvests.

The young women are to be sent out in camp groups, that will be organized with conducted on a second conducted co

The young women are to be sent out in camp groups, that will be organized and conducted on a semi-military basis, with a matron or director in charge, who will be first in command and will have such assistants as may be found necessary to the proper management of the co-operative methods of housing, provisioning, supervising and handling the work in the fields and in quarters. Work for 1000 Probable.

Work for 1000 Probable.

Mr. Brewer estimates there will be work for 1000 women in the seasonal harvest, if such a number can be procured. It is realized the need is probably greater than the available supply and the invitation of the Federal bureau having this work in hand is extended to all whose situation permits them to share in this important task of saving the food supply of the Nation. Those who can help with this work for even a portion of the season and whose health and strength is such as to enable them to perform efficient service, have the chance to earn good wages have the chance to earn good wages

hile also aiding in necessary work. The harvest of berries is almost upor the growers and there are also addi-tional demands for help in new can-neries and packing plants, and in all of the various avenues of war work that have opened during the past year. The first Oregon berries are coming into market from Salem, Springbrook, Hood River and many other localities. The strawberries will last until the middle of July, and while this crop is being of July, and while this crop is being harvested the ripening of the blackcaps and loganberries will also begin, the first of any note coming about June 25. Cherries will ripen, too, in the same period, but the cherry crop is one fruit yield that is not promising to be heavy, but there will be a demand for neckers at The Dalley and elegypers. pickers at The Dalles and elsewhere.

Work to Do in July and August. Newberg grocers are also calling for help that will be badly needed through July to do weeding and cultivating. as well as in gathering crops. In August the prune crop will begin to call for attention and likewise other of the later maturing crops. From the starting of the first seasonal harvest camps through the frost of Autumn, there will be a constant demand for

B. Cunningham, of Salem, was one of the callers who was in to arrange with Mr. Brewer yesterday for handling his crop of berries. He will need for pickers on his place, three miles from Salem. The women to be employed will be housed in Salem and go to and from the fields on the electric cars. Mr. Cunningham expects his berry picking to last about six weeks.

Weather conditions have decreed that the drive of the Boys' Working Reserve on the berry fields of the Hood River valley be slightly postponed, and the first camps will be established near Dee the last of this week, and actual work in the berries will begin about June 11. Sixty-nis. June 11. Sixty-nine boys were examined for physical fitness at the boys' division of the Y. M. C. A. yesterday and Friday afternoon, of those whose certificates entitled them to join the first contingent, which it had been planned would probably leave Wednes-

Middle Valley Berries Ahend. As originally planned the first camp was to have been pitched in the lower Hood River Valley, but in one of her caprices Nature has showered the bounty of ripening sunshine and warm breezes most lavishly on the fields of

the middle valley, and it is there the first camps will be established. Two camps will probably be set up near Dee and these will be followed later by a camp at the Steinhauser ranch, in the upper valley, near Parkdale, and also by camps in the lower valley. Aside from those to be started in another week, it is probable that the greater call for larger number is to come just call for larger number is to come just about at the close of school

to report Friday for examination, and that canyon to report Friday for examination, and that canyon to report Friday for examination, and entertainments under the guise of war cessary certification to respond yesterday. However, it will not be too late dors authorized drives, the commissioners believe and will not be tolerated to the future. to be ready for service as rapidly as called, and all boys who are to join in the work of the reserve are urged to heed the instructions of the announcements sent out, and report early to the Y. M. C. A. in order that enlist-ment may be completed quickly and aid the directors in mapping out the organization and assignment to camps as formed. The first contingent will be between 50 and 100 boys, and the num-bors assigned to additional camps will depend upon needs of different sec

SON OF J. C. BRALY DEAD

Malcolm, Aged 17, Passes Away in Good Samaritan Hospital.

Malcolm Shepard Braly, eldest son of J. C. Braly, of the Braly Auto Com-pany, died at 8 o'clock Friday night in Good Samaritan Hospital. Pneu-monia, which followed another illness, was the cause. The lad had been ill about a week. He was 17 years old.

The funeral services will be held at
Holman's Chapel. Third and Salmon streets, at 3 o'clock Monday afterno Rev. Oswald W. Taylor, of Grace Memorial Church, will conduct the services. The burial will be in Riverview Cemetery.

DRUG STORE RAIDED

Still and Whisky Seized at Harrison Pharmacy.

TWO ARE UNDER ARREST

Joseph H. Murphy, Proprietor, and W. D. Porter, Clerk, Held by Federal Officers for Making Liquor Without License.

Deputy Sheriffs Hurlburt and Schirer and Internal Revenue Officers Dan J. McGill and William Kennedy yesterday raided the Harrison Pharmacy, 394 Sixth street, seized a still and a quan-tity of recently made whisky and arrested Joseph H. Murphy, proprietor, and W. D. Porter, the clerk, on the charge of manufacturing alcohol and brandy without a Government license. The men are being held by the Federal authorities, and in default of \$2900 bail

each are in jail.

A still, in full operation and capable of manufacturing a quart of alcohol an hour, was found back of the prescription counter. The officers also seized more than two gallons of the distilled liquor, as well as three large barrels of raisin "mash" which was in the process of fermentation. Although of crude construction, the still was complete in every detail.

Little Liquor Sold.

Prior Conviction Cited. Murphy has once before been con-victed of bootlegging, and received a 150-day jail sentence in Municipal Court on November 28, 1916. On ap-
