

PORTLAND WOMEN PLAN GARDEN FESTIVAL FOR BENEFIT OF BRITISH RED CROSS SOCIETY

"Ardgour," Handsome Residence of Mr. and Mrs. MacMaster, to Be Scene of Unique Carnival—Old England Bar and Other Entertaining Concessions Will Furnish Fun for Hundreds of Guests.

"ARDGOUR" AND A BIT OF ITS GARDEN, SHOWING THE DOGWOOD IN BLOOM, WHERE THE BRITISH RED CROSS GARDEN FETE WILL BE HELD SATURDAY.

ARDGOUR is the handsome residence of Mr. and Mrs. William MacMaster, and it is to be the scene of a large carnival on Saturday, June 22, for the benefit of the British Red Cross. The grounds are beautiful with a riot of vivid-hued blossoms in artistic array, profusion of flowering shrubs, trees, shaded walks and trails, and will make a splendid site for a fete or carnival.

Numerous concessions, to be managed by prominent men and women of the city, music, games, refreshments, booths for the sale of articles donated to the cause, amusements for the wee folk of the city who may attend a function with their mothers, aunts or guardians with propriety because the hours are from three to 10 o'clock, are to be given especial attention.

The feature of the affair will be the old English bar; that is, the modern Portland version of it will be seen. Here Mr. and Mrs. David Taylor Honoyman, Mr. and Mrs. Victor Johnson, Mr. and Mrs. C. Edward Grellie will preside and serve the drinks, all to appear in appropriate costume. The flower booth, where huge baskets and bouquets of lovely blooms will be sold, will be presided over by Mrs. D. W. L. MacGregor. She will have a corps of pretty maids to assist her.

AFFINITY MUST GO

Banishment Requisite to Custody of Daughter.

COURT ADVISES MRS. ROSS

Until Earl Crossman Is Eliminated From Her Life Former Husband Is to Have Sole Care of 12-Year-Old Child.

After hearing the mother, Daisy Ross, testify to an unwavering faith in the doctrine of free love, Circuit Judge Gatens yesterday awarded the custody of Betty, a vivacious 12-year-old daughter, to the father, Dr. R. M. Ross, until such time as Mrs. Ross can satisfactorily convince the court that she has eliminated from her life Earl Crossman, local bank clerk, who is the "love mate" affinity in the case.

In making this disposition of the daughter's custody, Judge Gatens severely castigated Crossman, whom he declared had exercised an evil influence over Mrs. Ross.

"I am convinced that this man is bogus," said Judge Gatens. "From the first time I saw him I have felt that he is not a manly man. Mrs. Ross is a woman of extraordinary ability and mentality, and I cannot understand her infatuation for a man of the type of Crossman. Until she can bring convincing proof to this court, showing that she has put this man out of her life, I shall order that the custody of the daughter remain permanently with the father."

Criminal Charge Pending. "There is a criminal charge pending against the couple now, and I want to advise this man, Crossman, that he had better see to it that he does not come before me for trial, for if he is convicted he will surely get a jail."

The parents were divorced by Judge Gatens in December, 1913, when the daughter was given to the mother. Testimony offered at the hearing yesterday was to the effect that it was about this time that the couple were in an intimate association. It was because of Crossman's relations with Mrs. Ross that the divorce decree was reopened two years ago when, upon the promise of the mother to terminate that relationship, the court divided the custody of the child between the parents.

Crossman last January married a woman at Colfax, Wash., and two weeks later resumed his association with Mrs. Ross, after being required by his bride of a fortnight to elect between her and Mrs. Ross, for whom he still manifested an infatuation. Leaving Mrs. Crossman at Colfax, Crossman came to Portland and took up his residence in the same home with Mrs. Ross. Two months ago he filed suit for divorce from Mrs. Crossman, charging desertion.

Wife Declines to Prosecute.

Service of the divorce papers brought Mrs. Crossman to this city three weeks ago. A few nights later Crossman and Mrs. Ross were arrested on a statutory charge, but after the couple were in custody Mrs. Crossman refused to prosecute them on the criminal charge. The District Attorney's office thereupon preferred a lesser charge against the couple, who are now at liberty on their own recognizance. Testimony bearing on this incident had much to do in influencing the action of Judge Gatens, he admitted.

"NO-WHEAT WAR KITCHEN" ESTABLISHED IN LIBERTY TEMPLE UNDER AUSPICES OF THE U. S. FOOD ADMINISTRATION.

DISPLAY CASE FILLED WITH CAKES, COOKIES AND BREAD MADE IN WAR KITCHEN, WITH MRS. F. A. PERCY IN CHARGE.

Under the auspices of the United States Food Administration, a war kitchen has been established in the Liberty Temple. It has been called a "no-wheat war kitchen," and here may be obtained recipes for war bread, cookies, cakes and all sorts of edibles, made entirely of substitutes.

Mrs. F. S. Myers, of the United States Food Administration, has been in charge of the installation of the kitchen and has placed Mrs. F. A. Percy in charge, who is assisted every day by different women. One of the demonstrations which has attracted the most attention is how to make a good light bread without the use of any wheat. This is a light, spongy bread, with a good crust, which is said to be one of the best war breads made.

Another delicious recipe demonstrated is sponge cake, which resembles in every respect the cake made with white flour. Mahogany bread is made with prunes, nuts, spices, and other condiments, and a demonstration of it is given at Liberty Temple. Women who have recipes which they favor may bring them, with samples, to Liberty Temple, and they will be demonstrated. Assisting Mrs. Hawley in the demonstration Wednesday were Mrs. E. B. Heath and Mrs. M. E. Hawley.

CARD SYSTEM POSSIBLE

SCHEME DESIGNED TO MITIGATE FREE WATER ABUSES.

War Gardeners Less Inclined to Use Water Without Authorization Than Early in Season.

Adoption of a general system of cards to be posted in every war garden with information as to the manner in which water is furnished has been suggested to City Commissioner Mann, in charge of the water bureau, as a means of preventing the abuse of liberal concessions made by the water department.

Mr. Mann believes that the plan might be feasible and beneficial should it become necessary to adopt a drastic measure, but for the present does not favor its adoption.

Water users have now a better understanding of the rules, he says, and as a result there are fewer violations of the provision of the free water ordinance.

The plan proposed provided for a card on which the number of the lot on which the war garden existed and the block and addition in which the property was located should be noted, as well as a notation stating if the water was furnished free, under flat rate, or under meter, and the hours during which the water could be used.

Water furnished free for the sprinkling can be used every day between 4 A. M. and 12 noon. Property owners obtaining water through meters are not granted free water, but are permitted to use water for sprinkling at any time of the day or night.

Children Copy Voters' Names.

TACOMA, Wash., June 15.—(Special.)

(Mrs. Wilson is assisting at the daily rites performed before the altar of her grand-son, Master John Edward Phillips, Jr.)

MRS. WILSON: Why, Molly, you don't give that poor little tyke a cathartic every day, do you?

MOLLY PHILLIPS: This isn't a cathartic, mother. It's Nujol. It was the only thing I could use while the baby was nursing. I was terribly constipated, you know, just after he was born.

MRS. WILSON: Well, that's to be expected, I guess. I remember the trouble I had when you were born, dear.

MOLLY: Oh, mother, I was in awful shape. I tried everything. And everything failed. All the laxatives and cathartics I was taking began to affect the baby. He had colic and lost weight. My milk really seemed to poison him. Then the doctor ordered the Nujol treatment. You know the body doesn't absorb Nujol at all and consequently Nujol doesn't affect the milk,—it passes

smoothly along the intestines, softening and clearing out—the food waste as it goes. It was an ideal treatment for my condition.

MRS. WILSON: Does it work quickly?

MOLLY: No—it depends on the individual. It took me several days, but since then I've been regular as clockwork. That's one of the best things about it. There's no griping, no violent action—isn't it funny, mother, that some people don't feel they are getting results unless they get disturbance and rough treatment in the process! You would never know you had taken Nujol—it's so gentle. It simply softens the contents of the bowels and prevents the drying out and collecting of poison matter in the 'colon'—the large intestine. That's where almost all disease breeds you know.

MRS. WILSON: How do you feel after taking it?

MOLLY: Oh, nothing but good effects—because there are no drugs in Nujol. That's why it can be taken regularly. You don't have to set aside a day to recover from it every time.

MRS. WILSON: Do you give it to the baby regularly now?

MOLLY: Yes, indeed, he's already started. Every baby is born with a natural kink in his bowels—it has to straighten out naturally, and Nujol prevents any obstruction there. It rather helps Nature to help herself. The doctor approves, and this sample of the youngest generation is going to grow up thinking Nujol inside is just as important as his morning bath outside—which it is. And mother, look here!

MRS. WILSON: Yes, Molly?

MOLLY: See how well he takes it!

For your own protection insist that the druggist give you the genuine Nujol in a sealed and capped bottle, bearing the Nujol trademark in red—never otherwise. Nujol is absolutely pure and harmless. Inferior substitutes may give unpleasant results. Genuine Nujol sold by all druggists in the U. S. and Canada.

Send 50 cents and we will ship new kit size bottle to U. S. soldiers and sailors anywhere. Write for attractive free booklet on the Nujol treatment: Section 5, Nujol Dept., Standard Oil Co. (New Jersey), Bayonne, N. J.

"Regular as Clockwork"

Four hundred school children will copy all the names of registered voters from the poll books, and will send each a reminder of the War Savings Campaign. The children will make out many lists, so that the material will be available to many committees. The lists will be kept also for future reference in campaigns which are to follow.

OAKS WILL SHOW FILMS

Persons Who Were Caught in Motion Pictures Sunday to Be Depicted.

So that the many hundreds of persons who were photographed in the Oaks movies last Sunday may see themselves on the screen, Manager Coy of the Oaks is holding over the film, which will be

shown again, both afternoon and evening, in the Oaks auditorium.

The pictures have come out well and an interested audience has viewed each presentation of them this past week. Besides the local pictures there will be a fancy Alice Howell comedy at the Oaks today.

Cioffi's band will give two programmes, one at 2:30 and the other at 7:15 in the evening. Cioffi has the happy faculty of pleasing everyone with his music. He selects at least one classical number and tempers it with a variety of light popular melodies.

Last Sunday's crowd of picnickers at the Oaks far outnumbered all previous days; the little Summer houses, especially designed for lunch time, were more than crowded and the overflow had to group about under the trees to spread their lunch.

Aberdeen Elks Enjoy Flag Day.

At a time when conservation is paramount in individual and national life comes the new Hupmobile with its very unusual economy.

The fact that it actually does save 15 to 18 per cent in tires, and 24 per cent in gasoline, is one very welcome phase of its extraordinary comfort.

SELF DEFENSE

DEFEAT BACKACHE AND KIDNEY TROUBLE WITH ANURIC.

Many people in this section have suffered from rheumatism and kidney trouble and have found Anuric to be the most successful remedy to overcome these painful and dangerous ailments. The lucky people are those who have suffered, but who are now well because they heeded Nature's warning signal in time to correct their trouble with that wonderful new discovery of Dr. Pierce's called An-u-ric. You should promptly heed these warnings, some of which are dizzy spells, backache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as Bright's disease, diabetes, or stone in the bladder.

To overcome these distressing conditions you should take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water and at each meal take Dr. Pierce's Anuric Tablets (double strength). You will, in a short time, find that you are one of the firm indorsers of An-u-ric, as are many of your neighbors.

Send Dr. V. M. Pierce, Buffalo, N. Y., 10 cents for trial package.

RETSIL, WASH.—"I was troubled getting up at night for two years. Finally I took a trip to Florida, and while there I sent to Dr. Pierce for some Anuric Tablets and two dollars' worth of the Golden Medical Discovery Tablets. I took them as he directed and have not been troubled with my water for some time. I think the Anuric Tablets are all O. K."—W. J. GOOD, Washington Vet. Home.

PORTLAND, OREGON.—"Doctor Pierce's Anuric Tablets gave me great relief after eight years of suffering with kidney trouble and dropsy of limbs and feet; Anuric is certainly good."—Mrs. J. CASWELL, 447 Stephens Street.
