It is a positive waste to put up with the old, time consuming, back breaking methods of dusting, cleaning and polishing woodwork and floors. It is a waste of money, too.

There is an easier way. A quicker way. And a better and far more economical way. The saving you make in brooms alone will pay for the cost of the new way.

Study the contrasts shown in the pictures above. They tell the story. Banish the old way. Adopt the new.
