Official statement as to Canadian Registration Laws not applying to residents of U. S. visiting Canada.

Domination Superintendent of Immigration W. D. Scott states that reports as to visitors to Canada from the States being obliged to register at a post office before they can secure hotel accommodation, that formal passports are required or that there is any danger that tourists will not be allowed to return are "absolutely without foundation."

Senator Robertson, chairman of the Canadian Registration Board, says: "Neither in the instructions issued to register at a post office for Canadian registration is there anything that would indicate desire or intention to impose restrictions upon Americans entering, traveling in or leaving Canada."

All that States residents are required to have are papers showing that they are American citizens. At the time a national boundary holder of these papers are given identification cards which entitle them to travel in Canada freely and without interference.

MAYOR WILL OPEN HOME TO VETERANS

Campaign for Rooms for Visitors Coming to Portland in August Is Started.

CITY WILL BE CANVASSED

Reunion Likely to Be Last Held on Pacific Coast and Portland's Hospitality Is Counted on by Committees in Charge.

Mayor Baker and Mrs. Baker yesterday aided the campaign for rooms in private homes for members of the Grand Army of the Republic when they come to Portland in August, by agreeing to have six veterans assigned to their home.

As means for getting before the public the need of a great number of rooms for the use of the veterans an appeal has been transmitted to all pastors of the city, with the request that they read it before their congregations today.

Tomorrow morning committees of women will start a canvass of the city in an effort to sign up the number of rooms that will be needed in private homes. The reunion doubtless will be the last held on the Pacific Coast and Portland's hospitality is counted on to make the event pleasurable to the veterans coming.

Frank McCrillis, of the general committee supervising plans for the encampment, announced yesterday that the great parade of G. A. R. "boys" will be held on Monday, August 19, at 10 o'clock.

Each year there is agitation in favor of abandoning the parade as too much of a strain upon the grizzled defenders of the Union, but the faithful boys of '61 always object and over-rule the suggestion. This feature will be witnessed in Washington, where the week program will open Monday morning, August 19, with a council of administration, to be followed Monday night with a great day later.

Final appeals will go out this week to all men of Portland and vicinity eligible for membership in the Sons of Veterans organization. Much of the detail connected with the encampment can best be handled by the Sons of Veterans, and it is hoped that they owe it to the G. A. R. and the community to affiliate with the local camp and lend their aid.

Captains Are Appointed. The captains appointed by the National League for Women's Service to carry on the canvass for rooms this week follow:

Mr. and Mrs. A. C. Bissell, Mrs. F. E. Allison, Mrs. O. W. Olson, Mrs. J. C. Hare, Mrs. A. G. Day, Mrs. E. D. Roberts, Mrs. C. C. Couch, Mrs. S. M. Blumauer, Mrs. M. Baruh, Mrs. W. S. Hufford, Mrs. D. M. Watson, Mrs. Charles E. Rummel, Mrs. James Lowell Dunlap, Mrs. R. D. Cannon, Mrs. H. J. Hancock, Mrs. J. E. Rand, Mrs. W. H. Giles, Mrs. L. N. Walker, Mrs. E. D. Roberts, Mrs. J. C. Costello, Mrs. G. D. McLeod, Mrs. J. C. Epps, Mrs. G. M. Gilmer, Mrs. G. M. Sablin, Mrs. Blain Smith, Mrs. J. S. Harper, Mrs. C. W. Hayward, Mrs. Frank Taylor, Mrs. O. P. M. Jameson.

RETURN OF FEES SOUGHT. Bill to Reimburse Entrymen on Certain Lands Introduced.

OREGONIAN NEWS BUREAU, Washington, July 20.—(Special.)—For the relief of a number of Oregonians who several years ago attempted homestead entries on land in Northern California, which lands were subsequently declared void, a bill has been introduced in the United States House of Representatives by Representative McArthur of the Interior to return to the entrymen the fees paid and charges incurred.

It is clearly shown that the entrymen were not at fault and that the local Land Office accepted their fees in good faith, but there is no law under which repayment can be made.

ALBANY KILLS SNAKE FIVE FEET LONG. ALBANY, Or., July 20.—(Special.)—A peculiar snake, unlike those native to Oregon, measuring five feet and one inch in length, was killed yesterday in the yard of R. C. Penn, at 806 Jackson street, in this city. No one could tell what kind of a reptile it was, but it had no characteristics of a poisonous snake. It is presumed it escaped from a carnival attraction, which appeared recently on some vacant ground not far from the place where the snake was killed.

BENCH MASTERS AT DINNER. Oldest Legal Society in England Entertains American Lawyers.

LONDON, July 20.—The masters of the bench of the Middle Temple, the oldest legal society in England, gave a dinner last night to American lawyers in England. Most of the 150 American guests were Army and Navy men, an unusual feature being Americans in uniform, privates and sergeants seated elbow to elbow with the leaders of the British bar.

The rule of no speeches was broken for the first time since the late Joseph H. Choate dined there while Ambassador in London. R. A. McCall, the treasurer of the Standard Oil Company, presided, and proposed the health of the guests. Major White, Judge Advocate on the staff of Major-General Bliss, commander of the American forces in the United Kingdom, responded. Among the other speakers were Baron Finlay, Lord High Chancellor, and the men will meet in the City for this purpose. At this same meeting a representative of the Red Cross will explain the Government allowances, compensation and insurance.

ALBANY TO GIVE BOYS FLAG. ALBANY, Or., July 20.—(Special.)—When the 78 drafted Linn County young men, who will leave here for Camp Lewis early Monday morning, report in Albany tomorrow afternoon, each of them will receive a small silk flag as a gift from the Elks Lodge of this city. Charles H. Burggraf will make the presentation on behalf of the lodge, and the men will meet in the City for this purpose.

Standard Oil Co. Employe Gains Eleven Pounds by Taking Tanlac.

"I have picked up eleven pounds in less than thirty days and I know it wonderful improvement is all due to Tanlac because I have taken nothing else since I started. I made this statement while in the Owl Drug Company's store recently, is employed by the Standard Oil Company and lives at 1828 Drummond street.

"About a year ago," he continued, "I commenced losing weight and getting in a run-down condition. My appetite seemed to be good enough, but I could eat, but my digestion seemed to be bad and my food did me little good. Always after eating I would have a bloated, uncomfortable feeling. I also had a peculiar, puffed-up feeling in my left side, which I thought was caused by the gas on my stomach. I was also constipated and, while I never suffered much pain, I knew something was wrong with me because I kept falling off until I got down to ninety-eight pounds.

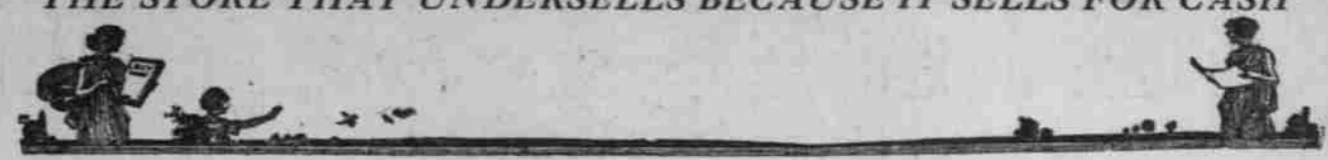

"Finally a friend of mine, who had been taking Tanlac with such good results, advised me to try it. So I got a bottle and the best proof I can give you is that it was the right thing for me. It really has built me up. I am just now buying my third bottle and am already beginning to feel like my old self again. I can eat what I want without having that bloated, stuffy feeling attending it. I am more than satisfied. I have gained eleven pounds, and this, I know, well my food agrees with me. All my strength and energy has been restored and I am more than satisfied with the good Tanlac has done me."

There is not a single portion of the body that is not benefited by the helpful action of Tanlac, which begins its work by stimulating the digestive and assimilative organs, thereby enriching the blood and invigorating the whole system. Next, it enables the worn-out stomach to thoroughly digest its food, permitting the assimilation of the nourishing products to be converted into blood, bone and muscle.

It overcomes, it is said, that great exciting cause of disease—weakness. It renders the body vigorous and elastic, keeps the mind clear and energetic and throws off the symptoms of nervousness and indigestion. It builds up the constitution weakened by disease and mental and physical overwork, quickens convalescence and is an unfailing comfort to all sufferers from such troubles.

Tanlac is sold in Portland by the Owl Drug Co.—Fold Ad.
