"Here I was without a good decent suit or dress to my name and the chance of a lifetime to get the best consition I was ever offered. Good posi-cions go with good clothes and I had none to wear. Then I heard of Cherry's none to wear. Then I heard of Cherry's Plan. I went up to their store on Washington street, in the Pittock block, and inquired about my credit. I was scared to death that I wouldn't be able to make arrangements. But they were just as nice about it as could be and I selected a darling dress and picked out a waist at sale price that was a dream. All I had to do was to pay a few dollars down and the rest was paid off from week to week. Now it is all paid and I scarcely miss the money—besides, I got my position, I am sure, on account of being well dressed. 389-91 Washington st., Pittock blk."—Adv.

An office without a TYPE-WRITER is as convenient as a home without a WASH-ING MACHINE.

Five reasons why you should select an Apex:

1-GREATER CAPACITY. Apex Washers wash so much faster, and cleaner, that they have the capacity of machines costing a third more.

2-EASE OF HANDLING. All metal tub, smooth as a pan, is instantly cleaned. No heavy, water-soaked cylinder to lift and wipe.

3-MOST CONVENIENT. Swinging wringer, operating in four positions saves extra handling of clothes or moving of heavy loaded machines.

-ABSOLUTE SAFETY. Belt drive, prevents burning out of motor or fuses. All moving parts completely covered.

5-ECONOMY. Lower first cost and lower operating cost-less than 11/2 cents an hour and two hours for a washing. Easy terms of \$10.00 a month.

Come in, preferably bring some soiled clothes with you.
