Welcome G. A. R.

—We are proud to welcome you to Portland and happy to extend to you every bit of hospitality and courtesy within our power. We call to mind Lincoln's famous words at Gettysburg—

—"We cannot dedicate, we cannot consecrate, we cannot hallow this ground. The brave men living and dead, who struggled here, have consecrated it far above our poor power to add or detract. The world will little note, nor long remember, what we say here, but it can never forget what they did here."
