-Our Father in Heaven, as Thou hast heard the prayer of Thine afflicted when he did cry to Thee, so mayest Thou send Thy messenger with healing on his wings to all who need Thee. In this day of suffering and of sacrifice, may Thy presence be made manifest by the greater power of men to bear and to share the burden which once seemed too great for them. Thou who guardest Israel, and slumberest not nor sleepest, be with Thy children in all places and when they cry to Thee may they be answered.

-Our Father in Heaven, hear Thou the prayer of those who have sent their loved ones into camp and field to fight the battle which our Nation has decreed. Be with them and make them worthy soldiers of a holy cause. Visit upon them the prayers of those whose thoughts and spirit are forever with them, and may Thy presence be made. manifest to them in the spirit of courage, sacrifice and love that we shall place behind them as they go forward to fight our battle.

-Our Father in Heaven, be with those who guide and who serve this country. Place upon them the spirit of tvisdom and the fear of Thee. May they be stewards of righteousness and see in the power of this mighty Nation a means to eternal good. May selfishness not blind them nor bigotry lame them, but in righteousness may they judge and in justice speed the welfare of humanity.

-Our Father in Heaven, mayest thou hear the prayer of all who err and when Thou hearest, forgive. Be with all who have suffered sorrow in the past year and comfort them. Mayest Thou bind up the wound and still the pain, for in Thy keeping are all who suffer and Thy blessing of peace and comfort awaits them all.

- "What prayer and supplication soever be made by any man or by all Thy people Israel, which shall know, every man, the plague of his own heart. Then hear Thou in Heaven, Thy dwelling place, and forgive, and do and give every man according to his ways, whose heart Thou knowest: for Thou knowest the hearts of all the children of men."-I.
