Call Sunday, 31 E FOR SALE-AUTOMOBILES. DON'T DISCOUNT YOUR LIBERTY BOND. You are no doubt aware that on and after January 1 the manufacture of pleasure sars will be discontinued. There are two reasons for this: first is the Government needs every lach of manufacturing space it can get to produce war necessities; second, it needs every pound of steel and from that is now available and that can be mined for some time to come. The pleasure car is termed non-essential, and it is to a certain extent, yet very essential in many lines of business, as much so as the truck. But we must, however, abide by our Government's ortowers and help in every instance we can toward winning this war. It must be done and it will be done. But we must all put our shoulders to the wheel and do our part. Don't let George do it here. George is doing it over there. Today we have ST automobiles in our establishment, consisting of roadsters, touring cars, both 5 and 7-passengers, cars originally coeting from \$500 to \$4500. These cars have been in zervice 6 months to 3 years, but every one is good for years of service yet, and many of them good as now. The prices range from \$150 to \$1050. Every car guaranteed as represented. We make liberal terms to those deserving credit and accept your liberaly bond 2 per cent above par.

Open Sunday from 10 A. M. to 4 P. M. Call and look our stock over. It will pay you if you are thinking of buying a car.

Remember, your liberty bonds taken at 2 per cent above par. Al AUTO WORKS & PAINTING CO., 525 Alder St.

The biggest and best stock ever grouped under two roofs. We handle the used cars for Portland's Leading New Car Dealers and it will be an easy matter for you to make a selection, as we have practically every popular make. We do not employ primitive methods of advertising, such as used in the long, long ago by venders of goods entirely foreign to the automobile industry. Our motto is; "A fair and square deal to ali." If you see it in our ad it's so. The following list of cars and trucks can be seen at the "DEALERS USED CAR CLEARING HOUSE, NO. 1." located at Broadway and Couch.
