Oregon Voters Feel Keenly Sting of Ingratitude.

President's Move in Bidding Voters To Elect Only Democrats Stirs Loyal Citizens.

has stirred Republicans throughout the state.

"Oregon was first in furnishing its quota of volunteers, first in subscribing to war loans, first in Red Cross, war savings and stamp drives, and has wholeheartedly supported every war activity. The slogan of the Republican party is 'Stand by the war.'

Republicans Support Wilson.

The record of the Republican party, both in Congress and particularly in this state, shows absolutely that Republicans have disregarded politics and supported the President in every undertaking.

"Only yesterday, United States Senator Thomas, Democrat, of Colorado, said:

"The Republicans have not and will not in any way hamper the conduct of the war. There is no question that they are as loyal as the Democrats."

"If there were any question, whatever, regarding the loyalty of Governor Withycombe, Senator McNary or Congressmen McArthur, Hawley and Sinnott, the Republicans of this state would be the first to demand that Governor Withycombe be removed from office and that the Republican party be removed from the state."

Government of the United States whether in the majority or minority in the House of Representatives or the Senate.

The record of Republican Senators and Congressmen since the commencement of the war in support of President Wilson and all war activities is flawless. Of still greater significance, every Republican in this Nation has stood inflexibly by the Government and by our noble sons at the front. My son, Lieutenant Leslie Orlando Toole, has recently fallen on the battlefield in France while bravely fighting for the unconditional surrender of the central powers and world liberty. My two remaining sons are officers and on the altar of my country. I am deeply grieved and amazed that our President is opposed to Republicans in government.

GRANTS PASS BANKER SPEAKS

"This Is Not President's War Nor War of Democratic Party."

BY FRANK C. BRAMWELL, Banker, Grants Pass.

GRANTS PASS, Or., Oct. 26.—(Special.)—The most vigorous proponent of this war are Republicans. Some of the rank and file propagandists and pacifists, if their sayings are true, are Democrats or non-partisans. The President will never find stronger supporters of his war policies than Senator McNary and Representatives Sinnott, McArthur and Hawley, all good Oregon Republicans.

WHOLE NATION IS AFFECTED

President Wilson's Latest Appeal Held Grievous Mistake.

BY BRUCE DENNIS, Former Chairman of Republican State Central Committee.

LA GRANDE, Or., Oct. 26.—(Special.)—All America is fighting this war; America is fighting this war behind President Wilson; he is our leader in every movement and we, as Americans, are behind him with every life and every dollar in the Nation. That he should depart from what is the fair and impartial path politically is a matter of deep regret.

ALBANY REPUBLICANS TALK

President Wilson Deemed to Have Been Ill-Advised.

ALBANY, Or., Oct. 26.—(Special.)—Prominent local Republicans expressed themselves this evening regarding the President's note as follows:

E. D. Cusick, Senator Linn and Lane counties—It is unfortunate that Colonel House had to go to Europe and the President had less experienced advice. The Oregon delegation to Congress, while not elected to keep us out of war, has supported the President on every war measure and it would be inadvisable to make a change.

BY FRANK JENKINS, Ex-President of Eugene Chamber of Commerce.

Hakmeier, of Seaside, now in the service, has been requested to be sent as physician to the spruce camp of Clatsop county, which is the slight foundation of the Washington dispatch.
