dacy of Well-Known Jurist. One of the strongest indorsements made in the present political campaign has come to C. U. Gantenbein, Republican nominee for re-election as Circuit Judge of Department No. 6, Multnomah County. The indorsement is signed by a large number of Port-land attorneys, who assert that Judge Gantenbein has given

eminent satisfaction during the 11 years that he has occupied the bench. They also call attention to his patriotism, his interest in military affairs and to the fact that his son now is serving as a Rice and Bean Crops and Fruit private in the Army. Shipments Unusually Heavy; Pc-

This is the statement of indorsement and the names of the signers:

SAN FRANCISCO, Nov 2.-General SAN FRANCISCO, Nov 2.-General Circuit bench in this district. Judge Gantenbein has occupied business conditions in the Twelfth Fed-eral Reserve District are thus set forth in the Federal Reserve Bulletin of to-"At all times he has presided with district.

"At all times he has presided with dignity and exceptional ability. He has been uniformly courteous to the profession, and his decisions have been recognized as sound law and universally Business to meet Government demands in the industrial centers con-tinues to be extremely active. War in-dustries are continually enlarging their plants but are limited by a shortage

plants but are limited by a shortage of labor and inability to secure necessary materials. In the agricultural districts slow liquidation on grain crops is causing inconvenience to farmers and bankers. Seeding of grain crops has begun in Idaho, Washington and Ore-gon. Wholesale and retail trade is re-ported good in most parts of the dis-trict with small stocks on hand. Col-lections are good. Interest rates continue firm at 6 per cent in industrial and 7 per cent in ag-"He has been one of the most patriotic men in Multnomah County, and has taken active interest in all military affairs for the past 10 years. His oldest son now is serving as a private in the United States Army."
