Columbia University is another Portland educational institution accredited with generous giving, 94 of its students having given and pledged \$500.50. The University of Oregon Medical College has aided the drive to the extent of \$311 and St. Mary's College has contributed \$200.  
In the up-state sectors Willamette University has taken top rank by reason of the fact that the 50 of its students already on the roll of contributors have given an average of \$14 apiece, or a total of \$700.  
The total for the student division as reported yesterday by Miss Tirza Dinandale, state director, was \$18,767. This is not quite two-thirds of what the division promises to contribute.

### CROWDS HEAR PATRIOTIC TALK

Crowds in front of Liberty Temple last evening were addressed by Fred Lockley, representing the Y. M. C. A.; Frank J. Lonergan, state deputy of the Knights of Columbus, and Ben Selling, city manager of the drive and representative of the Jewish welfare board.

### Contributions to Be Forwarded Promptly by Express Companies From Outside Points.

Apples are in great demand in the Y. M. C. A. huts and in the convalescent wards in the hospitals of Vancouver Barracks, according to Mrs. Velva D. Weller, the Y. M. C. A. hostess. "Soldiers who are miles from home," says Mrs. Weller, "and can't go back for Christmas, need something in the way of cheer, and apples go right to the spot. For instance, on Halloween Mr. Vary, one of the Y secretaries, was fortunate in having friends send 20 boxes of apples to the soldiers. In less than half an hour the 20 boxes had disappeared.  
Mrs. Weller says there are many farmers and producers who have extra apples that would bring cheer to the

### Railroad Men Subscribe Liberally.

Portland railroad men on lines under the direction of Federal Manager O'Brien have made liberal subscriptions to the campaign fund. The campaign is being handled by a committee composed of C. G. Sutherland, chairman; W. R. Ladd, for the O.-W. R. & N.; and A. T. Mercer, for the Southern Pacific. At the close of business yesterday the committee reported total subscriptions of \$8418.89. Manager Lyons, of the Northern Pacific Terminal Company reported \$1576 more, making the grand total \$9994.89.

Shortly before the drive opened Mr. O'Brien addressed an appeal for subscriptions to all officers and employees of the railroads and the subscription named above is the result.

A feature of yesterday's campaigning in Portland was the musical program at Liberty Temple at noon. Solos were sung by Miss Helen Pierce, Mrs. Raymond Sullivan, Mrs. Warren E. Thomas as accompanist, and Miss Daisy Gibson, with Miss Everman as accompanist.

Students Made Record.  
Need College students are credited with a remarkable record in the student division of the drive. Pledges by 224 of them total \$1752.75, or \$7.82

Rev. William W. Youngson introduced the speakers.  
Music was furnished by the Salvation Army band and Miss Lulu Dahl Miller led the community sing, accompanied by Mrs. W. E. Thomas at the piano. Mrs. Catherine Covach Friedrich, director of St. Mary's choir, sang solos, accompanied by Mrs. J. B. C. Lockwood, pianist.

### DRIVE IN MORROW PROGRESSES

Eastern Oregon's Way of Doing Things Proves Good.

HEPPNER, Or., Nov. 16.—(Special)—The war work campaign is progressing well, and indications are that Morrow County will make its quota without public meetings or a house-to-house canvass. The only soliciting has been by means of a circular letter sent to each person in the county, showing the amount of his assessment. The responses have been gratifying.  
When R. F. Wigginsworth, chairman of Pine City district, received a list of the assessments in his community, amounting to \$112.50, he promptly sent County Chairman Clark his personal check for the amount, saying he did not want his district to delay the county in going over the top, and that he would take chances on every man on the list paying his assessment. That is the Eastern Oregon way of doing things.

### KLAMATH PLEDGES \$3000

United War Work Drive Is Well Under Way.

KLAMATH FALLS, Or., Nov. 16.—(Special)—With a total of about \$3000 raised for the United War Work drive in Klamath County, the campaign to raise funds for the comfort of the soldiers in America and France during the remainder of their service is now fairly under way.  
Irving E. Vining, the well-known speaker of Ashland, has been in the county in the interest of this move and, although public meetings have been under the ban, he has been able to talk during the meals at the lumber camps and small gatherings in the outside communities.

### University Speeds Fund.

UNIVERSITY OF OREGON, Eugene, Nov. 16.—(Special)—The university faculty and students, together with the Eugene Bible University pledged a total of \$5250 for the united war work drive, up to noon today, only \$200 more being needed to make out the full quota of \$5450. The university's quota is \$4750, exclusive of the Bible University, which is a separate school, but which the Bible University found it impossible to raise the quota of \$700, the University of Oregon added that amount to its original allotment.

### Normal School Reaches Quota.

MONMOUTH, Or., Nov. 16.—(Special)—The Oregon Normal School cover the top today in the drive for the united war funds. The school was apportioned \$1000 in the division of the amount to raise in Polk County, which, with the number of students, makes close to \$8 each. It was a task, as many of the girls work their own way through school and nothing was left undone as an expedient for raising the funds.

### Senator McNary Coming Home.

OREGONIAN NEWS BUREAU, Washington, Nov. 16.—Senator Charles L. McNary will leave tomorrow for home and will return in time for the opening of the regular session in December. It is his understanding that Senator-elect Mulkey will qualify and resign at that time.
