Solf Tries to Enlist Personal Interest of Wilson.

MISSION TO U. S. PROPOSED

Preliminary Negotiations Held Relative to Surrender of Enemy Fleet, Railways, Telegraph.

BERLIN, Nov. 16 .- (By Wireless to London.)-(By the Associated Press.)-A direct appeal has been made to President Wilson by Foreign Secretary Solf for permission to send a German com-mission to the United States at once. personally to lay before the American diovernment the conditions existing tere and to assure the taking of steps to produce foodstuffs.

BERLIN, Nov. 15 .- (By Wireless to London.)—In his message to Secretary ions of State Lansing at Washington today, office. of State Lansing at Washington today, Dr. W. S. Solf, after appealing to him to intercede with President Wilson to send peace delegates to The Hague as soon as possible, "in order to save the German people from perishing by starvation and anarchy," he suggested that Herbert C. Hoover, the American Food Administrator, be assigned to the task

Administrator, be assigned to the task of assisting the German people. This pection of Dr. Solf's message reads:

"American delegates could discuss with the plenipotentiaries of the German people the details of how the magnanimous help of America could mave, in time, our fatherland from the worst. Perhaps the matter could be put in the tried hands of Mr. Hoover, who has rendered such great services has rendered such great services manys' political life.

Speech Help Implored.

"The acceptance of the oppressive armistice conditions, the necessity of supplying from scanty provisions the army that are streaming back from the front, the cessation of navigation in the North Sea, and the Baltic, by the continuance of the blockade which imperils our provision supply and the disturbed conditions in the East make the situation in our country daily more unendurable. The peril can be avoided only by the most speedy help."

#### HUN DEBT IS ESTIMATED

Three Hundred and Forty Billion Francs Is Total.

PARIS, Nov. 16 .- (Havas.) - Ger-PARIS. Nov. 16.—(Havas.)—Germany's debt to France is estimated at 340,000,000,000 francs by the Matin in an editorial today. The newspaper apportions the debt as follows:

Return of the indemnity of 1871 with interest, 60,000,000,000 francs; expenses of the present war, 140,000,000,000 francs; pensions, 40,000,000,000 francs, and reparation for damages, 100,000,-1000,000 francs.

000.000 francs. The Matin says that France must se-cure acknowledgment of the debt be-fore examining the way in which it is to be paid. France wants no indemnity profit, but all Frenchmen want lawful

reparation. Germany and Austria, it adds, should return to the allies a minimum of 7,000,000 tons of shipping in payment for that destroyed in the war, but they have at their disposal only 3,000,-000 tons. Consequently the delivery of
