## 800 Silk Waists \$4.<sup>50</sup>

Hardly One of These Georgettes and  
Crepe de Chines That Aren't Easily  
Worth Infinitely Higher Prices

—Think of choosing from twenty-five styles at this low price! Why, the materials alone in most instances would cost considerably more, to say nothing of the time required to make them!

—The daintiest Georgettes with filmy lace trimming or beaded embroidery. Heavy crepe de chines with inserts of lovely lace; some in imitation Point Venise that is strikingly good.

## Far and Away the Best Value in Any Store in Portland for Tomorrow

—High-necked blouses, collarless blouses and blouses with round and square necks. Tailored styles, fancy dress models and some that are good for all-round wear are included. Pin tucks, pleats, embroidery and beading all add to the effectiveness of these waists.

—The colors are white, flesh, peach, gray, bisque and rose, and when you think of these shades in twenty-five dainty new models you have some idea of what awaits you here tomorrow. It will pay you to buy half a dozen of these for afternoon, business and dress wear.

—There are all sizes in all styles, but, of course, groups will soon become depleted in certain styles and sizes—so early shopping is to your advantage.

## Down Come Hat Prices!!

Original, Distinctive, Exclusive Models Drastically Reduced

—Undoubtedly you know that our Millinery Department is known the length and breadth of the city for its quality hats at moderate prices. But even this department has set a record for itself in this sale—and you'll appreciate it the moment you see the hats in this sale! But please come early, it will make your own choosing so much easier as there is but one of a kind in most instances!

\$9.50

For 330 High Priced  
Original Model Hats

—We don't dare quote the names of the makers of some of these hats—many were samples—bought with the understanding that we would not quote the designer's name in selling. The style will convince you, though, instantly!

—Black hats and colored hats, straight brimmed, rolled sailors, smart tams, fur trimmed, beaver faced, street and tailored models.

—A wonderful variety—you will be amazed at both style and quality. The shapes of some and the trimmings of others are worth the sale price!

\$18.00

For All Expensive  
Exclusive Hat Modes

—And that means every hat now priced \$18 and over. Picture hats, street hats, tailored and semi-tailored models; hats trimmed with ostrich fancies, novelties, flowers, ribbon, velvet and real fur. Many unique shapes.

—Hats from such designers as Joseph, Kurzmann, Waters, Gage, Bruck-Weiss, Bendel and others equally well known. A variety of shapes that makes description impossible.

—If you have seen a model at higher price that you have been admiring and wishing for, this is your opportunity, but plan to come early!

## Monday--100 Suits, \$32.<sup>75</sup>

In the Greatest Sale of the Season

—And such suits as they are! Handsome wool velours, velveteens, Duvet de Laine, gabardine, serges, wool poplins and rich broadcloths, and they're in the smartest shades and cleverest of the season's styles.

—A prune-colored velour that is a fair example; has slot seam all the way down the back, with embroidered spearhead at waist line. Triple saddle pockets and bright-colored pussywillow silk lining emphasize the style and quality that mark this as one of the season's best.

—An oxford suit, strictly tailored, buttons up close about the throat, with band of Hudson seal. A velveteen on straight, simple lines is elegant in its rich simplicity. Serges, wool poplins and Poirer twills in strictly tailored models so much in favor now.

—Every suit is fresh and new; many just taken out of the original wrappings; everyone is absolutely correct in style and everyone a wonderful "buy." All have been reduced from far, far higher prices. Suits in sizes 16 to 44.

Sale price—\$32.75

## And a Wonderful Dress Sale at \$30

—Velveteens, serges and wool jerseys. We know you've been seeing lots of frocks of these same materials at reduced prices, but for your own satisfaction see these!

—We can't attempt to describe them in this limited space, but here's a hint of what you'll find. Mandarin style serge frocks elaborately embroidered. Serge frocks with flat panel back ending at waist and tasseled. Braided trimmed, tailored serges.

—Velveteens with elaborately fringed sashes and tunics. Velveteens on straight simple lines, with just a few rows of silk military braid for trimming. Some with long rows of wide military braid to simulate tunics. Frocks with exquisite beaded motifs.

—Jerseys, with long rows of tailored buttons and buttonholes. Some with elaborately embroidered waists; others with handsomely braided tunics. And as for colors, there are all the wanted shades in all materials—black, navy, brown, taupe, burgundy, plum, beige, Pekin, gray, khaki and beaver.

## Philippine Gowns, Chemise \$2.95

Crisp, Fresh, New, Lovely—A Great Monday Sale

—Lovely garments, of finest lingerie fabric, hand-made, hand-embroidered, for \$2.95. Seems almost incredible, doesn't it?

—"Delayed in transit," is the answer. Long ago ordered, and just received. We are very glad, and know that this announcement will be welcome news.

—Envelope chemise, carefully tailored, stay-on-the-shoulder kind, and gowns pointed or round-neck style; all embroidered with the exquisite precision of the Philippine women.

As sketched—\$2.95

—If anything could charm dainty women more, as gifts, than this lovely hand-made underwear, we have yet to hear of it.

—And you can (for a very short time) purchase them for \$2.95, a fraction of the combined cost of material and time required (by unskilled fingers) for the fashioning.

—In a real opportunity such as this the fact that we have but a few hundred garments should accelerate early selection. We invite (and advise) you to come EARLY IN THE DAY.

The 300 Pieces Probably Won't Last the Day Out. COME EARLY!
