

### VINTON SEES VICTORY IN SENATE CONTEST

#### Senator Claims 19 Votes in Race for President.

### SPEAKER FIGHT IN DOUBT

#### Present Situation Indicates That Contest May Invite Appearance of Compromise Candidate.

Senator W. T. Vinton, arriving in the city last night, dispelled any doubt as to his having enough votes pledged to elect him president of the State Senate, by issuing a list. The list contains the names of 17 Republicans and two Democrats. One of the Republicans was added yesterday, just for old sake's sake.

Here is the list of pledges: Republicans—J. A. Hurley, Colon R. Eberhard, Gus C. Moser, A. W. Orton, John Gill, F. C. Howell, A. W. Norblad, T. B. Handley, Walter A. Dimick, Louis Leshmund, I. L. Patterson, Walter B. Jones, B. L. Eddy, J. C. Smith, Ira E. Smith, C. M. Thomas and Mr. Vinton. Democrats—Walter M. Pierce, W. H. Strayer.

It is expected that Senator Baldwin, Democrat, will also give his support. Whether Senator R. S. Farrell will continue his campaign is not known. Eddy, who was a tentative aspirant, is on the pledge list.

"I wish to express my thanks and appreciation," said Senator Vinton last night, "for the confidence placed in me, as stated by the pledge list, received, and I realize the efforts made in my behalf by my friends, some of whom have served with me in the past."

**SPEAKERSHIP FORECAST**—Conditions unsettled, cloudy; prospect of storm breaking. Considerable wind. It's anyone's fight in the Speakership contest and there is no individual who can assert, truthfully, at this time that he will preside over the House at the coming session of the Legislature. The contest appears to be gravitating around Seymour Jones and Denton Burdick, but Ben Sheldon, Herbert Gordon and K. K. Kubli have no intention of giving up yet.

### PROMINENT SEATTLE ELK TO PAY TRIBUTE TO PORTLAND'S DEAD.

Charles A. Reynolds, The memorial services of the B. P. O. Elks, Portland lodge, No. 142, will be held today at 8:30 at the First Methodist Church. Charles Reynolds, of the Seattle lodge, will make the principal address.

If I am elected, I may be asked to become a candidate myself. He then repeated his request for my vote, provided he would be able to show me, within five days after election, 25 pledges from other members to vote for him. This was his own proposition, not mine. I replied that, in that case, my colleagues would be a mighty poor man if I couldn't support him.

TUBERS PRODUCED BY A. C. PETERS THAT AVERAGE 20 TO THE BUSHEL. Potatoes running 20 to the bushel were grown on newly cleared land during the past season by A. C. Peters, who lives seven miles east of Vancouver, Wash., on the Columbia River road. The sample bushel was selected from a heap of about 20 bushels, which contained many other potatoes as large but not so symmetrical. From one hill, 9 1/2 pounds of potatoes were dug, but these lacked the uniformity of size and shape which characterizes those in the picture. The field contained a large proportion of tubers, exceeding one pound in weight. The variety is Late Rose.

### If You Saw Wood Each Day You Won't Need Cascarets

Great medicine,—the Sawbuck. Two hours a day sawing wood will keep any one's bowels regular. No need of pills, Cathartics, Castor Oil nor "Physic," if you'll only work the Sawbuck regularly.

Exercise is Nature's Cure for Constipation, and—Ten-Mile walk will do, if you haven't got a wood pile. But, if you will take your exercise in an Easy Chair, there's only one way to do that, and make a Success of it. Because,—there's only one kind of Artificial Exercise for the Bowels and its name is "CASCARETS."

Cascarets are the only means to exercise the Bowel Muscles, without work. Druggists—10 Cents a Box.

### "WHEN YOUR KIDNEYS FEEL LIKE LUMPS OF LEAD"

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid, which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and lousy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headache, dizzy spells, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get inflamed, water scalds and you are obliged to seek relief two or three times during the night.

### SAYS SCOURGE OF SPANISH INFLUENZA

May Leave Wrecked Health for Many of Our People. Recommends Special Tonic to Overcome Ill Effects.

Medical authorities agree that the after effects of Spanish influenza and even the ordinary "grip" often leaves the patient in a more or less degree weakened in one or more of the vital organs such as the lungs, heart, stomach, liver or kidneys.

Pneumonia, chronic bronchitis and tuberculosis find fertile soil in the weakened lungs. Bright's disease, diabetes, apoplexy, cystitis, etc., often come in later to claim the convalescent patient.

Dyspepsia, weakness, nervousness, malnutrition and kindred ailments are known to be more prevalent after an epidemic of La Grippe. Liver and bowel disorders, too, are inclined to further delay the return of perfect health.

In fact, weeks and months may elapse before complete good health returns to the victims of this dread malady. It is the part of wisdom not to dispense with your physician's services too soon, for in time he will usually advise a good tonic upbuilding medicine that will aid in restoring vigorous digestion and full nutrition. Physicians and the public universally recognize the safe, sane, rejuvenating power that lies in the bitter herbs and barks, such as Calasaya bark, Palmetto root, Damiana, Nux Vomica, and also in Iron Peptonate and Phosphide. These drugs represent the main constituents of three-grain Cadomene Tablets, and as the formula is printed on the label any person should feel that here is no secret dope or nostrum, but a genuine beneficial tonic, and such it has proven to thousands, both old and young. Elderly folks especially find permanent strength and improved vitality very quickly. Digestion improves, appetite returns, restful sleep follows and soon a strong vigorous body and a harmonious nervous system rewards the convalescent. All good druggists supply Cadomene Tablets in sealed tubes with full directions. Show the package to your physician, who should at once recognize the noted formula of a specialist.—Adv.
