WE HAD NO CARS LEFT OVER.
The used cars that we are offering
were taken in within the last week at
PRESENT DAY PRICES. TODAY
one of our best customers asked us for
an offer on his 6-cylinder, mechanically
perfect 1917 car, run 5000 miles, present
value \$950. We couldn't see our way clear
to make him a decent offer. He insisted.
HE HAD TO HAVE THE MONEY.
We asked him to set his price and
leave the car with us to sell on commission. This is somewhat against our policy,
but we are always anxious to help out a
customer. To our surprise he set a price
of \$700, to which we add a slight commission charge. We are going to keep
