BIG CLEAN-UP SALE OF USED CARS AND USED TRUCKS. Last Sunday I made an appeal to the people who contemplated the purchase of a used car, and I wish to thank you for the generous response. I had no trouble in convincing the people who called to look at cars that they had come to the proper piace to save money. I sold a lot good cars during the past week and noust sell a lot more within the next few days it order to make room for several carloads of new cars and trucks I am expecting to arrive most any day. There will always be used car saises but it will no doubt be a long time before you will again be able to buy such high-grade cars at the prices and terms I am offering. OFFORTUNITY IS KNOCKING. DO NOT PROCEASTINATE.

I will just mention a few of the cars in stock at present:
