States and in foreign missions.

The Portland area comprises the Puget Sound, Columbia River and Oregon conferences. Headquarters have been established at 493 Platt building. Bay A. L. Haworth is in charge, and provided through the generosity of saveral of the parishioners, will be of several of the parishioners, will be opened in the transept of the Pro-Cathedral.

Christian Scientists' War Work Reviewed.

More Than \$1,000,000 Disbursed to Date for Aid of War-Stricken.

RECENT issue of The Christian A Science Monitor gives an account of the work of the mother church which has been made possible by the generous support contributed by Christian Scientists throughout the world.

The Christian Science war relief fund to date, the report says, has disbursed \$1,275,560. Most of this sum has been disbursed by committees of Christian Scientists in Great Britain and Ireland, France, Switzerland, Holland, Italy Belgium, Armenia, Syria, Poland, Rumania and Serbia

The Christian Science war work has been carried on under three heads, namely: Camp welfare, comforts for-warding, and war relief. In addition active religious work has been made possible, in both the military and navai establishments of the United States, through the efforts of Christian Science chaplains, nine of whom have been com missioned in the Army and one in the

Camp welfare workers were placed in many of the camps and cantonments in the United States. Their mission was to help the men in uniform wherever

to help the men in uniform wherever possible. In carrying out this work Christian I clence welfare houses and similar facilities have been provided. Welfare rooms are maintained in Portland in the Morgan building.

The activities of the comforts forwarding committee have been carried on through 975 branches which are in operation in all states of the American Union, also in Alaska, Hawali, and the Canal Zone. A total of more than 560. First United Brethren Church, an-nounces for his morning theme, "The ooe articles of clothing and knitted Church's Place in the Reconstruction goods has been distributed by this com-programme," and in the evening he will
