

REDS MUST BE KEPT OUT, SAYS FRANCE

British Plan for Recognition of Bolsheviks Decried.

PICHON ISSUES STATEMENT

Government Will Make No Contract With Crime, Foreign Minister Declares Emphatically.

PARIS, Jan. 11.—The British government recently submitted to France a proposition involving an effort to obtain a truce in Russia which if successful would have led to the admission of delegates of the Russian Soviet government to the peace conference...

British Plans Outlined. "On January 5, 1919, the British Embassy sent me a British proposition, which also was sent to Rome, Washington and Tokyo, suggesting the sending of a message to the government of the Soviets at Moscow...

REDS ACTIVE IN SIBERIA

BOLSHEVISTS PLAN TO HARASS ALLIED FORCES.

AMERICANS, RUSSIANS AND POLES ON Northern Front Subjected to Machine Gun Fire.

KRASNOYARSK, Siberia, Sunday, Jan. 6.—(By the Associated Press.)—When the Trans-Siberian Railway reached this city they found Russian troops had been fighting against Bolshevik contingents about 10 miles to the southward.

CONTRACT WITH CRIME DECRIED

"If the allies were weak or imprudent enough to act thus, they would give the lie, in the first place, to the principles of justice and right which constitute their force and honor and would give to the Bolshevik propaganda in the outside world a power and extension to which they would run the risk of being the first victims.

RUSSIAN SOVIET OPPOSED

Great Britain Says on Truce With Bolshevism Suggested.

WASHINGTON, Jan. 11.—Great Britain, it was stated authoritatively today, has never suggested to the United States proposals for a truce in Russia and consequent admission of delegates of the Russian Soviet government to the peace conference...

DANCING

Guaranteed IN 8 LESSONS Ladies \$2.50 Gentlemen \$5

at DeHoney's Beautiful Academy, 23d and Washington

New classes for beginners start Monday, Thursday and Friday evenings this week. All modern ballroom dances taught in 8 lessons—ladies \$2.50, gentlemen \$5.00—to all joining these classes. Take one or four lessons a week. Tickets are good until used.

ADVANCED DANCING CLASS

starts Tuesday evening at 8. More beneficial, more practice, more desirable than any ordinary dancing party. Join this class. Learn new steps. Add the professional snap to your dancing. Meet refined people. Enjoy yourself. Start Tuesday evening 8 to 11:30.

DIFFERENT FROM OTHER SCHOOLS

The Only School teaching each lesson the entire evening, 8 to 11, where you receive the proper amount of practice. The Only School with a system where you dance with dozens of different partners, teaching the gentleman to lead and lady to follow correctly (the only way to become a practical dancer). The Only School where each pupil receives a printed description of all dances free. We do not teach before dancing parties begin, or give short one-hour lessons, and I conscientiously believe one lesson from us is worth six in the average school. The most backward pupil will not feel embarrassed and will meet refined people. Private lessons given all hours. Learn correctly from professional dancers. Call afternoon or evening. FIRST PHOTOGRAPH OF AIRPLANES SURRENDERED BY GERMANS UNDER TERMS OF ARMISTICE.

This interesting photograph is the first received of the first installment of German airplanes surrendered to the allies by the enemy under the conditions of the armistice. This photo was taken at a French airfield near the Ardennes forest.

DESIRES FOR RESTORATION OF LAW AND ORDER

In every case it was made plain to the people of Russia, however, that the United States was friendly, but that they themselves had to throw off the yoke of Bolshevism. Concerning the Russian question, the French delegates are said to be in opposition to the acceptance of any suggestions from Bolshevik officials. In absence of the Russian official delegations, the French will favor counselling all the prominent Russians possible.

TREASON CHAIN GROWS

ARREST OF EX-CHIEF IN PARIS ADDS ANOTHER LINK.

Captain Ladoux Declared to Have Misaid or Destroyed Proof Against Certain Officials.

BY WILLIAM COOK. (Copyright, 1919, by the New York World. Published by Arrangement.)

PARIS, Jan. 11.—(Special Cable.)—By the arrest of Captain Ladoux, former chief of the counter espionage bureau in Paris, the French judicial authorities appear to have connected another link in a long chain of treason in France. Ladoux already is implicated more or less directly in several affairs of intelligence with the enemy now being examined by Paris courts-martial.

A document he is said to have destroyed or misaid contains proof of treasonable dealings of one or more prominent French politicians, one of whom is even now awaiting trial before the high court. So far the document, or, rather, a photograph of it for the original is still missing, is still a mystery in part because of its cyphered message portion, which reads: "You'll deposit funds in—Bank."
