Since the Pacific Livestock Company what I have previously reported to your board.

"In concluding this report, permit me to call attention of the Land Board to the fact that in the last two years there has been returned to the state of Oregon lands that had been procured by fraud that are many times the value of the amount appropriated by the last of the amount appropriated by the last released within a few days.

Despite his financial reverses, Lebandy was reputed to be one of the bandy was reputed to be one of the

shadow compared to those of many other states, and what it should have been. Much of our most valuable lands are held by large corporations, remain-ing undeveloped, when they could and old provide the means of livelihood and homes for many of our citizens."

than war must be provided and that, we are all agreed, must be found in the methods of arbitration and concilation. These methods must be studied and organizations for undertaking them must be provided.

ous rioting occurred Friday in Dresden. Hamburg, Augsburg and Dusselden. Hamburg, Augsburg and Dusselden, to settle at the conference the details of these methods and the structure of these organizations, but it is essential that a beginning should be made and solid foundations laid before the conference separates.

There is an increased volume of feeling in Great Britain supporting this of the conference separates.

and that both the British and Ameri-can delegations will have the weight of their two countries behind them. Such details as the conference may not have time to settle might be re-mitted to a strong international committee drawn from the four powers-the United States, Great Britain, France and Italy-with perhaps, some experts from neutral countries, who could draw out a scheme in detail and submit it to a meeting of the conference or repre-sentatives of its members to be held later in the year. Such a committee or another committee also would consider urgent questions of economic settle-ment, financial settlement and reduc-tion of armaments. But at present the conference ought, if possible, to agree upon some general principles for the guidance of these committees."

SPAIN TO STUDY LEAGUE IDEA

Prominent Men Named to Decide Upon Country's Course.

MADRID, Jan. 11.—The government today made public the names of the members of the committee which it has appointed to study the question of Spain's entry into a league of nations. The members include Antonio Maura, former Premier; General Weyler, ex-Minister of Finance Besada, ex-Minister of War De La Cierva, ex-Minister of Public Works Cambo, ex-Minister of Finance Alba, the Marquis de Albuce-mus, ex-Premier, and Senor Gasset.

INVADES UMATILLA

School Building Becomes Hospital Yor Care of Patients.

UMATILIA, Or., Jan. 11.—(Special.)— The Umatilla school building has been fitted up for a temporary hospital and arrangements are being made to accommodate those who are in need of help modate those who are in need of help and also to offer better facilities for those who become ill with influenza. At present the railroad crews suffer most, some men working 18 hours per day, including the time devoted in as-sisting with the sick. All crews are short of help and some material has out during the emergency.
At the present time it is estimated there are 35 cases of influenza in the town, many contracting the disease for the second time.

RESIDENT OF OSWEGO DIES

J. C. Haynes Succumbs at Orego City Hospital at Age of 70.

OREGON CITY, Or., Jan. 11.—(Special.)—J. C. Haynes, of Oswego, died last night at the Oregon City Hospital. Mr. Haynes was 70 years of age, and was well known in Oswego, where he had resided for over 30 years. He had been Justice of the Peace there for a number of years.

Mr. Haynes is survived by his widow and 10 children, five boys and five

Try it.

Prisoners Will Not Be Allowed to Remain Idle.

Mr. Stevens Says If Men Are Kept Busy at Work for Which They Are Fitted Problem Will Be Easier.

SALEM, Or., Jan. 11 .- (Special.)-Warden Stevens, of the Penitentiary, for the first time since his incum-bency, today issued a statement covering some of the alms, objects and poli-cies of his administration at the prison. Unlike wardens in the past, he be-lieves that the employment situation the Legislature to further prosecute manner.

The Lebaudy home, where the shoot-ling took place, is within 1000 feet of at the prison may be solved without the macconsidered the 5 per cent limits shot and killed her husband. John Longer de Saulies, on August 3, 1917.

Unlike wardens in the past, he believes that the employment situation at the prison may be solved without the necessity of legislative action, which contemplates an expenditure of money. He also believes that a large percentage of men may have the reformatory problem solved for them by the doctrine of hard work, but also by applying the doctrine to make the employment fit the man.

A certain element of innovation enters into his declaration of policies, as

they differ a little from any suggested y any warden who has been at the The statement from the warden came after he had taken a fair share of the day off to show a corps of newspaper-men the filthy, unsanitary and unsafe conditions which surround over 200

convicts, many of whom are doomed to

die within the prison walls. Men to Be Made Fit.

"We are trying to fit the men physi-cally to do a day's work, and mentally to be willing to do that work when he is released from the institution," said the warden, in commenting on his proposed application of reformatory principles through the theory of work fitted to the individual. fitted to the individual.

fitted to the individual.

"When a man sleepe his time out at the prison he leaves here neither physically able to work nor mentally willing to work. I think I can explain myself best by saying that when I was a bank clerk I was equipped to meet the exigencies of the situation. That was many years ago. If I were to return now I would find my fingers had lost their cunning and my mind its alertness for that class of work. The fellow in the next cage who had stayed with the job would outstrip me in a with the job would outstrip me in a minute.
"The same holds true with the con-

vict. He comes in here generally used to some form of labor. Unless he con-tinues to work, when he gets out his and has lost its cunning and his mind has lost its willingness to push him ahead, and if he tries the old work he can't keep up with the man alongside

Individual to Be Studied. "We have started in trying to fit men to meet these conditions. It is our intention to study the individual char-

that of the guards, and leed and clothe the convicts," cofitinued the warden. "The expense has been heavy. We ex-pect to get some of it back from the rock work and at the same time fur-nish cheap rock for better roads and provide more work for the men. Jobs like these will be found and the men will be kept busy. Sufficient work along various lines will be developed to endeavor to apply every something he can do and keep his hand

The warden also announces still an-The warden also announces still another policy for the Summer months. As the days grow longer the men will be required to get up with the sun, eat breakfast and do eight hours' work. After that they will be allowed recreation. As the Summer advances, they will be through earlier and earlier in the afternoon, and thus will be given daylight recreation in the sun and air, rather than being compelled to spend their time off in their evil-smelling

"When the men work, all of them will work. There will be no sports during the work hours. When the work is over they will all play or rest in the sunshine. That will be the policy," declares the warden.

GOVERNOR EXPECTED TO MAKE APPOINTMENTS TOMORROW.

Budget for State Educational Institutions Placed Before Appropriations Committee.

BOISE, Idaho, Jan. 11.—(Special.)— When the Legislature convenes Monday it is probable Governor Davis will send to the Senate the names of a number of important appointments, including those heretofore announced and several new ones. The latter are said to include D. W. Church, of Pocatello, for Public Utilities Commissioner to suc-

ceed John W. Graham.

The House was the only wing of the
Legislature in session today. It received petitions from the Ada County Council of Defense and the Boise Typo-graphical Union urging that there be a liberal program inaugurated to start public works that returning soldiers may be given employment. The legis lature is known to be so inclined. On Monday there will be introduced in the house a measure creating in each county a soldier labor commission to be supported by direct taxation and charged with the responsibility of se-curing employment for soldiers. Its author will be Representative Bennett

of Gooding County.

The budget for state educational in stitutions to be placed in the hands of the appropriations committee for con-sideration of the Legislature calls for the following appropriations; Lewiston State Normal, \$150,000; Albion State Normal, \$125,000; Industrial Training School, St. Authony, \$170,000; Idaho Technical Institute, Pocatello, \$164,000; University of Idaho, \$521,349. These

sums do not include the revenues from endowments or local revenue.

In finally deciding on these totals the State Board of Education prunes from the recommendations of the various institutions about \$500,000. Dr. E. A. Bryan. State. Commissioner of E. A. Bryan, State Commissioner intention to study the individual characteristics of every man who is in here and of every man who comes in here and see what every man is best fitted to do and then put him at it and keen
