—We question whether any other store in Portland would offer such table cloths at these reductions. In fact, we doubt that any other store is in position to offer 500 cloths at this time. Our stocks enable us to give you this opportunity now, and judging from the number of women who so eagerly bought the 100 pure linen damask cloths offered last week these sales are appreciated. The hundred were sold by noon, so the early shopper is the wise one tomorrow. This group embraces a vast assortment, from small 36x36 inch lunch cloths to the large 2 1/2 x 4 yard cloths. There are pure linens, cotton and union cloths. A crowning event for this great Linen Sale!
