What Would Abraham Lincoln Do If He Were Alive at Present Time?

History Records Attitude on Question of League of Nations—Shows Him to Have Been Teetotaler—And He Had Short Shift for Bolsheviks

I

I RECEIVED a postcard a few days ago from a reader who was pleased to know that Abraham Lincoln was living and was still the same man that he was before the war ended.

This, of course, is not true, for he died a long time ago, but the reader was not in error, for Abraham Lincoln is still living and is still the same man that he was before the war ended.

Lincoln was a teetotaler, and he had a short shift for Bolsheviks.

ARIZONA RANGER, WHO FOUGHT
L. W. W. WAGES WAR ON HUNS

Captain Wheeler One of First Young Men to Enroll in Regular Army

FOR HOURS the story of the Arizona Ranger, L. W. W., had been told in the newspapers, but it was not until the final round was fired that the Arizona Ranger, L. W. W., was able to say, "That's the end of the story."

Wilbur, who was the Arizona Ranger, L. W. W., was one of the first young men to enroll in the regular army for the Spanish-American War.

He was a hearty young man, and he was ready to take up the fight at once. He had trained hard, and he was ready to do his part in the fight.

When the war was over, he went back to his old work, and he was able to do his part in the fight.

WHEN LINCOLN FAILED TO REACH THE BATTLEFIELD

I

I MAY be summarily nown to the fact that the story was not what was expected, but I do not know why. It was not expected, and I was not able to get the facts.

The story was a good one, and I am sure that it was true. I do not know why it was not expected, but I do know that it was true.

The Arizona Ranger, L. W. W., was a man of the people, and he was ready to do his part in the fight.
