

# AUTO SHOW WILL BE OPEN DURING SUNDAY

### Time Extended Because of Interest of Public.

### SALES OF CARS ARE LARGE

### Dealers Report That Demand for Closed Type of Automobile is of Large Proportions.

So great has been the interest in Portland's 1919 automobile show in the Hippodrome building, Twentieth and Marshall streets, that the exhibition has been extended one day and will be open to the public from 10 A. M. to 11 P. M. today. The exhibit will be kept intact for the Sunday visitors, it is announced. The show was originally scheduled to close last night.

The attendance for the first six days of the show, including last night, was unofficially placed at 20,000. Fully 5000 persons are expected to visit the Hippodrome building today, bringing the total attendance to 25,000, approximately twice the number of persons which attended the 1918 show in the auditorium February 7 to 13.

Attendance Saturday Large. The show building thronged with visitors yesterday afternoon and evening. The afternoon attendance was comparable with that of evenings earlier in the week and at night the exposition building was thronged. G. E. Jeffery's orchestra gave two concerts and the musical programme was augmented by 15 minutes of community singing in the evening led by John Henry Lyons, of Camp Lewis, whom the singing soldiers called "Everybody-Sing" Lyons.

From a purely entertainment point of view the automobile show has been declared a pronounced success and the best in the history of northwest shows. From a business standpoint it has been surprisingly successful. From the first hour the show was opened sales have been made, increasing each day during the week until a record-breaking total has been reached.

M. C. Williams, manager of the show, yesterday addressed a questionnaire to the exhibitors asking that the bona fide wholesale and retail dealers be notified so that an announcement could be made of the total amount of business transacted.

### Closed Cars in Demand.

Dealers who have been displaying closed models of cars at the show have reported an unprecedented demand for that type of automobile. Many exhibitors have more orders than they can fill and in some cases where buyers cannot hope to obtain delivery for several weeks contracts have been signed. The general passenger car business has been good and the same reports have been made regarding the truck, tractor and accessories sales.

When the Liberty airplane motor was shipped east, room was available for a "Velle" truck and a Nash passenger car chassis. Another new arrival at the show is a Hudson limousine. All of these new models were viewed with much interest yesterday.

### KURDS RESCUE DAUGHTER

#### Visitor Here to Tell Portland Folk About "The Terrible Turk."

Taken captive by the Turks in Persia and later freed from them by a band of friendly Kurds, was the last word from his daughter who reached Dr. Frederick E. Coan, a visitor in Portland today who will speak at the Westminster Presbyterian church tonight. He will speak on "The Terrible Turk." He does not know whether the young woman is alive today or not, as it has been four months since this word reached him.

Dr. Coan has lived in Persia for 45 years and some of the weights he has seen with his own eyes are so shocking that he has declined to tell of them to his audiences. During his stay in Portland Mr. Coan is at the Hotel Portland.

### ALAMEDA PARK CHILDREN IN ATTRACTIVE COSTUMES AT WASHINGTON'S BIRTHDAY PARTY.

They are assembled at residence of Mr. and Mrs. Leonard E. Johnson, who entertained Saturday with colonial party for their children, Leonard Jr. and Mignon, who appear in the central position as George and Martha Washington.

One of the prettiest of the children's colonial parties celebrating the birthday of George Washington was that given by Mr. and Mrs. Leonard E. Johnson on Saturday, February 22, at their residence in Alameda Park. The affair was attended by about 40 children, attired in various styles of costumes, the acting hosts being Leonard Johnson Jr. and his little sister Mignon, who appeared as Martha and George Washington.

Every detail of the affair was carried out in the colonial period, even to a happy, laughing old southern "mammy," who kept the children thoroughly amused and entertained during the afternoon. Mrs. George H. Pfeuffer, mother of little guests, after indulging in all sorts of games, folk dances and music, were seated at two tables, artistically decked with dancing belles and beaux in colonial costume, posed in the graceful steps of the minuet. Each little girl's place was marked by a lighted candle atop a pretty bon bon box, and the boys were given tiny hatchets as favors.

Miss Helen Caples, attired in picturesque Indian garb, assisted in entertaining the little ones. The guests were: Katherine Shunk, Robert Shunk, Celeste Joly, Virginia Cooper, Robert Cooper, Marian Davidson, Elizabeth Davidson, Dorothy Johnson, Charlotte Pfeuffer, Katherine Ennis, Teresa Ennis, Muriel Ennis, Elizabeth Stone, Morris Stone Jr., Robert Stone, Betty Stritzel, Helen Lacey, Elizabeth Browning, Marian Ward, Walter Ward Jr., Christine Thomas, Helen Owen, Ray Owen, Ellen Shaver, Doris Shaver, Jordan Claridge, Brooks Claridge, Billy Barrendrick, Gall Caples, Robert Maguire Jr., Waldemar Schmidt and Hugh Middleton.

### GRESHAM REALTY BOOMS

#### CALLS FOR SMALL TRACTS EVEN EXCEED BIG DEMAND.

#### Eastern Multnomah and Northeastern Clackamas County Property Changes Hands.

GRESHAM, Or., March 1.—(Special.)—There is quite a perceptible boom in real estate throughout eastern Multnomah and northern Clackamas counties. Frequent inquiries are being made for good farming, stock or poultry locations and several important sales have been made recently by local dealers. The Gresham country is the richest and most prosperous section of eastern Multnomah and the demand for small farms in this locality is constantly on the increase.

The Gresham Real Estate company reports the following sales during the past few weeks: The A. E. Chamberlain farm, located about three miles east of Gresham, on the Section Line road, was sold to M. H. Dahl for \$6500. The place contains 40 acres, all under cultivation.

M. H. Williams of Bull Run took over the E. E. Sienet 12 acres, one mile east of Gresham, for \$6000. Twenty-five and one-half acres, located two miles northeast of Gresham, was bought by M. B. Frank of Portland for \$4500.

A 26-acre tract known as the Miller farm, near Haley station on the Estacada line, was bought by P. A. Ledine, recently from Minnesota. The sale price was \$6000.

The Brown & Cleveland agency negotiated the sale of the W. F. Cummins property, northeast of Gresham, a 15-acre farm, to Ed Fraley, for \$4500. Several pieces of city property have changed hands within a few weeks, the most notable being the residence and quarter block belonging to Mrs. A. Hughes, which was bought by Dr. H. H. The latter in turn sold a quarter block and residence to C. I. Baker. In both instances the purchase price was around the \$5000 mark. At least a dozen more small parcels of land have been sold here during the past month.

#### Properties of the Callaghan Company Bought by Local Investors.

Three cash deals involving downtown property, said to have a market value of around \$100,000, were closed yesterday by the F. E. Taylor company. The Callaghan company of San Francisco was the seller in each instance. The considerations were not made public. It is understood the company which negotiated the sales has other deals in the course of consummation running into several hundred thousand dollars.

The Imperial Arms company, of which Claude D. Starr, president of the Callaghan-Starr Packing company, is president, has purchased from the Callaghan company the southwest corner, 100 by 100 feet, on Washington street. It is understood that Mr. Starr contemplates the erection of an apartment house on the corner within the near future.

### REARWEAU WOULD REPLY

#### HEAD OF NEW ORGANIZATION ASKS PRIVILEGE OF TALKING.

#### Major C. A. James Announces Resignation as Officer of United American War Veterans.

The better business bureau of the Ad club issued a statement Friday directing pointed criticisms against the new organization, and even went so far as to state that Mr. Rearweau apparently desires to make an answer.

The announced resignation of Major C. A. James as an officer of the veterans' organization was made public yesterday. Criticism of the organization was not the cause, he stated, but a decided change in policy.

"The proposal to expend portions of the funds recently raised by public subscription in promoting this organization, the ultimate national success of which is purely speculative at this time, is believed to be an improper project of these funds," says Mr. James.

Manager Bond expects to leave for his new field at the Boise project sometime during the next few days.

### POLICEMAN STANDS TRIAL

#### OFFICER ACCUSED OF ROBBING BELGIAN MILK BOTTLE.

#### Harry Bales Declares Charge is a Frame-Up by Unfriendly Sergeant Ervin.

With the evidence practically complete, the trial of Harry Bales, policeman, charged with stealing \$5.25 from funds in a bottle for the French and Belgian babies, was adjourned last night until next Thursday when it will be resumed in the municipal court.

Bales took the stand towards evening and testified that the marked money which had been found in his pocket after his arrest had been lying on his desk beside the milk bottle and that he had put it in his pocket until he could find out who owned it.

Bales charged that the whole affair was a frame-up on the part of Sergeant Ervin, with whom, he said, he had seen at outs for a considerable time.

The defense recalled Chief Johnson to the stand to testify regarding a report in which, they charged, Ervin had made allegations against Bales last autumn.

Chief Johnson professed ignorance concerning the report and said that he had been subpoenaed as a juror and not as a witness. Inasmuch as the jury has been hearing the case for several days the court excused the chief with instructions to hunt for the report.

### THE GERMS OF INFLUENZA

The Influenza Bacilli are exceedingly small, those shown in the above cut being magnified about 600 times, under the microscope. After these germs get into the blood, and we suffer from influenza, the disease leaves us with thin, watery blood—weak, anaemic, and unable to do our accustomed work.

What's to be done in such cases? Put iron in your blood and the cells become round and red. They lose the irregular shape and you gain in vim, vigor and vitality. The best combination of iron for the blood is in the form of a new iron tablet, put up by Dr. Pierce, called "Ironic." You will find, instead of pale cheeks, feelings of lassitude, tired, worn-out before the day is half done, after taking "Ironic" your cheeks will have color, you will feel strong and vigorous and ready for the fray. Start now and you will be surprised how full of vim, vigor and vitality you will feel in a few short weeks.

Keep the system in good order, take plenty of exercise in the fresh air and practise cleanliness. Remember a clean mouth, a clean skin, and clean bowels are a protecting armor against disease. To keep the liver and bowels regular and to carry away the poisons within, it is best to take a vegetable pill every other day, made up of May-apple, aloes, jalap, and sugar-coated, to be had at most drug stores, known as Doctor Pierce's Pleasant Pellets. If there is a sudden onset of what appears like a hard cold, one should go to bed, wrap warm, take a hot mustard foot-bath and drink copiously of hot lemonade. If pain develops in head or back, ask the druggist for Anuric (anti-uric) Tablets. These will flush the bladder and kidneys and carry off poisonous matter.

To control the pains and aches take one Anuric Tablet every two hours, with frequent drinks of lemonade. The pneumonia appears in a most treacherous way, when the influenza victim is apparently recovering and anxious to leave his bed.
