HOPPE STARTS PLAY YOUNG

BILLIARD CHAMPION RECALLS GAMES OF CHILDHOOD.

BY WILLE HOPPE. World's Champion Billiard Player. I began to play billiards when I was 3 years old. Dad would not let me run around the streets with the other boys so I passed the time knocking the balls around on his table.

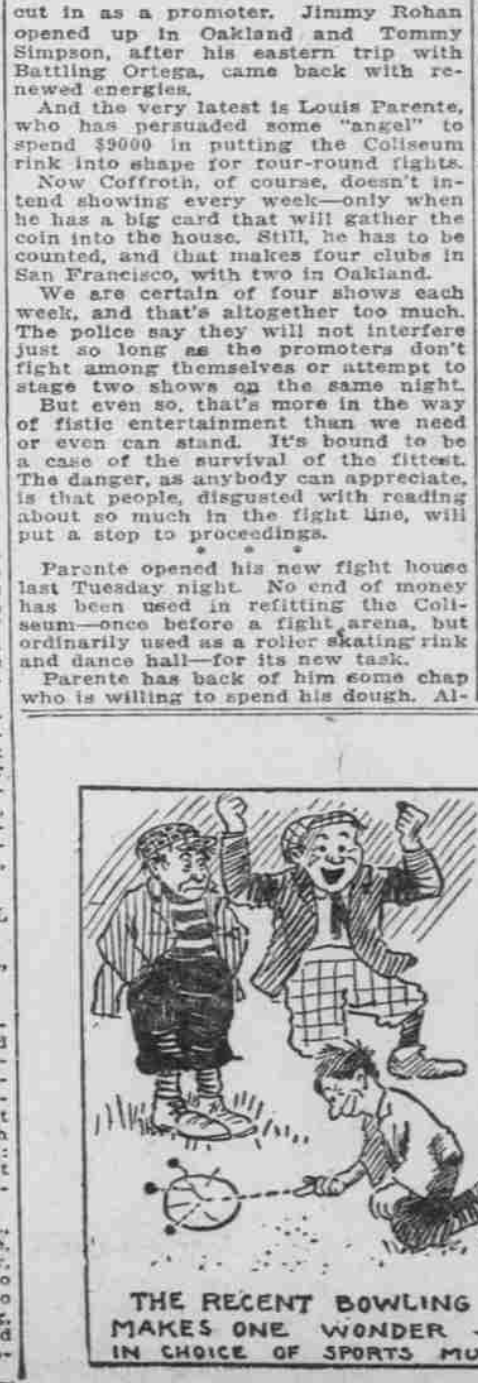

Four years later I played my eighth birthday. What an event that was for me. All the New York sporting writers featured me as a "boy wonder" with a great future.

Definite Announcement to Be Made in Short Time.

COLLEGE RULES TO GOVERN

Many Inquiries Received at Oregon Agricultural College From Schools That May Enter.

OREGON AGRICULTURAL COLLEGE, Corvallis, March 8.—(Special.)—Following the announcement of the resumption of the annual interscholastic track meet at Oregon Agricultural college, many inquiries have come regarding the event.

The resumption of the big athletic programme is planned by the committee to be the biggest of its kind in the northwest this season. Coach H. W. Hargis and Dr. A. D. Browne both have had wide experience in handling such meets in the eastern and middle western states.

With the facilities of the college brought into full play it will be possible to run off track, baseball and tennis events simultaneously, thus keeping interest going in many parts of the campus.

It is expected that all the best material in the high school athletic world will be brought together at the meet. The special provision of the regulations to make classes of contestants is expected to make the meet possible to a representative delegation from all parts of the state.

Those arranging the meet plan to make it a favorable one at which to make the victors of the meet certain and the co-eds will assist in social events of the week-end. The opportunity to compete with many schools will be a feature.

GEDDON HAS GOOD RECORD

ST. LOUIS PLAYER HAS FIELDING AVERAGE OF .977.

Rating Considered Better Than That of Bob Fisher, Who Played in Fewer Contests.

Joe Geddon, one-time wearer of a Sacramento uniform, later a New York Yankee and now of the St. Louis Browns, was the ranking second baseman in the major leagues for the season of 1918.

Geddon closed the season with a fielding average of .977. The same mark was obtained by Ed Fisher of the Cardinals, but Fisher took part in only 63 games while Geddon participated in 122 contests.

Geddon figured in 27 more games than Eddie Collins and managed to finish the campaign with a better fielding mark. He also had more chances per game than did the infield star of the White Sox, generally rated as the best second sacker in the game today.

The Pacific Paper Company still is holding first place in the Mercantile league with a three-game lead over the Honeyman hardware five. The Honeyman team is coming along in great style and has a good chance to edge the leaders out unless they play a fast game from now on.

Charles Jennings, well-known Portland bowler, who has been out of the game for some time, will swing into action again next Wednesday night, having signed to play with the Rose City team in the Commercial A league.

M. L. Kline will make a special trip to Vancouver, B. C. with his team this year and will be out to put a lot of pep into his bunch of stellar bowlers.

Following is the fielding rating of the second basemen: National League—American League—Fisher, St. L., .977; Geddon, St. L., .977; Doyle, Phil., .976; Pratt, N.
