March Sales of Home Furnishings

Coming at the Height of the "OWN YOUR HOME" Campaign Are of More Than Ordinary Interest

The "Old" Cast-Iron Cook Stove has not been improved upon as regards baking qualities and durability. If well built and well proportioned the old-time cast-iron stove would outlast and do better work than the average steel range of today.

The Universal Combination Range

possesses all the durability and superb baking qualities of the cast-iron stove plus all the features that go to make for good housekeeping and ease of operation.

The Universal Combination burns wood, coal or gas—separately or together. It meets all weather conditions—warm in Winter, cool in Summer. It makes for economy of space—two complete ranges in the space ordinarily occupied by one. It saves on food, fuel and labor. It is compact, complete, sanitary and above all—beautiful.

First Showing of Bohn Syphon Refrigerators

We are the exclusive Portland distributors of the famous Bohn Syphon refrigerators. Tomorrow we make an introductory display of these high-grade refrigerators—the best made. We have a variety of styles and sizes in these refrigerators.

A Great Six Day Sale of Bedroom Furniture

The furnishing of the bedroom must be, above all things, utilitarian, and yet it must be beautiful. It must be good and yet it need not be expensive. The drawer that sticks, the glass that distorts, the line that irritates, the decoration that is meaningless, are one and all abominations. They need not be.

Modern bedroom furniture can be dainty, solid, or frankly simple, and so long as the design is true and the craftsmanship first class the rest is a matter of individual choice. In this six-day sale at MEIER & FRANK'S you can select bedroom furniture of highest quality at most noteworthy savings—for instance:
