

### HOUD OF AIR CRAFT TO BE HEARD OVER CITY

Fleet of Fliers May Be Feature of Rose Festival.

### LANDING FIELDS NEEDED

Stopping Places, Says Colonel Davis, Should Be Provided at Salem, Eugene, Roseburg, Medford.

The prospect of Portland being put permanently on the United States air service map and of it being a regular thing to hear the hum of aircraft motors and witness the antics of fliers over Portland business blocks has been brought very much nearer as the result of the receipt of a letter from Colonel Milton E. Davis of the air service, war department at Washington, in reply to Rose Festival requests for a big air fleet to visit Portland at the time of the Rose Festival.

"By June," says Colonel Davis, "planes undoubtedly will visit your city, providing you can provide a safe landing place for fliers."

That everything possible will be done by Colonel Davis to send a fleet to do stunts over Portland during the festival is made certain by the expression of his deep personal interest in Portland and Oregon. He was appointed from this state and attended and enjoyed the first Rose Festival in Portland.

In his letter to Eric V. Hauser, which has been turned over to H. C. Von Borstel, chairman of the festival committee on special features, Colonel Davis says:

"It is the intention of the air service to extend our system of air exploration, map making, landing field, hunting, etc., throughout the northwestern states during the coming summer and by June planes undoubtedly will visit your city, providing you can provide a safe landing place for fliers. In order to have planes visit the Rose Festival in June, you should immediately take steps to provide a landing field in the immediate vicinity of your city. My home is at McCoy, Polk County, and I wouldn't hesitate to land a fleet of planes at almost any place from Hillsboro to Eugene on either side of the valley. A landing field should be approximately 3000 feet long and 500 feet wide, and smooth enough for an automobile to make 25 or 30 miles an hour across it in any direction.

Oregon Cities Told to Get Busy. Portland, Salem, Eugene City, Roseburg and Grants Pass or Medford might well look ahead and provide landing fields with least delay, because they will need them in the near future. I am perfectly familiar with the Rose Festival, as I was present at the first one that was ever pulled off, many, many years ago, in the days before Bingzer Herman appointed me a cadet to West Point."

The Rose Festival officials are informed that a start already has been made toward getting airfields along the coast. S. T. French, who was 18 months in the service and who was instructor at Camp Floyd, Wichita Falls, Tex., at the time of his discharge, recently picked out a field at Albany. Mr. French is associated with his father in business at Albany and is in Portland attending the De Keyser School.

### HEROES OF 3 WARS MEET

VETERANS WHO FOUGHT UNDER BRITISH FLAG TO UNITE.

Soldiers in South African Conflict, Zulu Rebellion and Great War Mingle at Restaurant.

Veterans of the South African war, Zulu rebellion and great war gathered together at a downtown restaurant last night. This little band consisted of English, Irish, Scotch, American and Australian heroes who had fought at the battles of Modder river, Tzandeburg, Jacobdall, Abraham's Kraal, Petersburg, Natal, Fezterbert, Ypres, Arras, Somme, Vimy ridge, Passchendaele, Hill 60, Hooge and Cambell. In all 14 were present at this little party, consisting of the following members: Lieutenant R. A. Blyth, 6th Canadian infantry; Lieutenant W. A. Campbell, motor transport; M. E. Carleton, Canadian engineer; J. H. Bartlett, 5th Canadian infantry; W. J. Sutton, Canadian cavalry; E. Farr, Canadian Forestry corps; B. Sovell, Canadian T. M. C. A.; W. F. Bent, 29th Canadian infantry; J. E. McRie, 11th Canadian infantry; W. R. McHain, 14th Australian M. G.; L. H. Tweedie, Canadian railway troops; and W. J. Enwright, Canadian engineer.

It is the intention of these veterans to form a club of returned soldiers who have fought under the British flag, so that they may find a welcome and get information as to pensions, post-discharge pay, land grants and to help each other by sharing in peace times if necessary their "hard tack and bully beef," as they have done in war times. Later in the evening the veterans were guests of Alexander Finley at the concert and dance given at the Scottish Rite temple by the Bobbie Burns society.

### SOLDIER SAVES COMRADE

SERGEANT FERRIS ABBETT STANDS ON HAND GRENADE.

Story of Heroism of Portland Boy, Injured by Explosion, Comes to Light.

With the end of the war and lifting of the censorship many heroes are coming to light. Among these is a Portland boy, formerly referred to in dispatches simply as a "doughboy." He is Sergeant Ferris W. Abnett, son of Rev. J. T. Abnett of University Park church.

Early last year, when the first of the Oregon boys were landing in France, a story in The Oregonian told of a group of heroes in one of the American camps.

A bunch of doughboys had been standing together when a hand grenade fell in their midst, instantly one of the boys stepped forward and stood on the grenade. It exploded but injured none save the brave boy. He was in the hospital for several weeks—because of "eating too much French cheese," he told his friends.

When Dr. Carl Doney, president of Willamette university, came back from France, he seemed surprised to learn that no one here, not even the boy's parents, knew of the incident. The news later was corroborated by others returning from the front.

Sergeant Abnett is with the supply train of the 182d regiment. He arrived at Camp Lewis recently and is expected to return to Portland next week. He has been doing clerical work since his injury in the "line of duty." That he will get a royal welcome at his home, 567 Vanderbilt street, is without question.

ELEVENTH AND ALDER STREETS

## Announcing a Most Exceptional SALE Of Fine Wall Papers

Beginning Tomorrow at the Establishment of Babcock & Peets, Inc. ELEVENTH AND ALDER STREETS

### Let Us Explain

why this is no ordinary sale of Wallpaper, but one that will afford you a most unusual opportunity to decorate the walls of your home in rarely artistic fashion.

Every piece of wallpaper of real merit has a meaning; that is, it is copied from some kind of wall fabric, both in texture and design. It may be European Wall Damasks, Brocade, Tapestry, Prints (Linen, Chintz, Cretonne) or Plain Effects and Stripes in many different textures.

Our domestic manufacturers for many years have turned out large quantities of wall-papers that, while they may satisfy the ordinary commercial taste, do not mean anything to the true decorator or to the homemaker who would have her home express real beauty.

We have on hand at present a large stock of lovely, artistic papers, all in large quantities. The patterns are quiet and dignified, and the colors very satisfying and harmonious. We wish to make room for other merchandise and will therefore sell these papers at remarkable reductions. There are about ten thousand rolls in all and two hundred patterns to select from.

- LOT 1—15 Patterns to select from in Domestic and French papers. Original and Special. Suitable for Halls, Living-rooms, Dining-rooms and Bedrooms. Selling Regularly From 20c to \$1.00, Now 5c
- LOT 2—60 Patterns for selection. English, French and Domestic papers. Suitable for Halls, Living-rooms, Dining-rooms, Libraries and Bedrooms. Selling Regularly From 30c to \$1.25, Now 10c

### INFLUENZA GERMS

BY VALENTINE MOTT PIERCE, M. D.

Depth of Influenza Magnified over 6,000 Times.

Influenza is produced by a bacillus or germ coming chiefly from discharges from the nose, throat and lungs of the person who coughs, sneezes, or spits. The person attacked feels chilly, develops a high temperature—usually accompanied by headache and "ache all over"—as it is usually described. If you have the above symptoms get into bed as quickly as possible, after a hot mustard foot-bath. Take a good purgative, such as one made up of May-apple, leaves of sloe, root of jalap, and sold in every drug store as Dr. Pierce's Pleasant Pellets. Then surround yourself with hot water bottles. It is a fact mentioned by physicians of the largest experience that the effort on the part of nature to throw off the poisons results sometimes in inflammation of the kidneys. It is therefore very important to assist nature in eliminating the toxins (poisons) from the body thru the bowels, skin and kidneys. Not only should this be carefully attended to by the sick, but by the person who wishes to ward off an attack. A new kidney remedy called "Anuric" (anti-uric) can be obtained of the druggist. This "Anuric" flushes the bladder and kidneys and throws off the poisons (toxins), and should be taken with hot water or hot lemonade. Clear the nose with some good antiseptic spray or Dr. Sage's Catarrh Remedy. It is, of course, unnecessary for me to emphasize this, keep strong and healthy, fear neither germ nor German, and observe the three C's: A Clean skin, Clean bowels, Clean nose and mouth and you have half won the battle.

interference with their rights to travel on that county road during these hours, citizens who believe Sunday is a day of rest and should not be devoted to races, residents along the road who might desire to go in or out of their homes during that period may blame the leg-

islation which passed such a law, or make their protest to the commissioners who gave them no opportunity to be heard on the question.

### KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.
