NOT in twenty-five years has there been any noticeable change or improvement in corset clasps UNTIL we perfected the now famous O-I-C Non Pinching Clasp. With this new clasp the Comfort of the fashionable

whether front lace or back lace, is greatly enhanced and the Service improved, as this clever clasp holds the corset flat at front thus equalizing the strain, and resisting wear.

Ask YOUR DEALER for BON TON corsets having the O-I-C Non-Pinching clasp-why not have and wear the BEST when they cost no more? Price \$3.50 to \$15.
