Ten Reasons Why

You Should Send for Brooks Rupture Appliance

1. It is absolutely the only Appliance of the kind on the market today, and in it are embodied the principles that inventors have sought after for years. 2. The Appliance for retaining the rupture cannot be thrown out of posi-tion.

rupture cannot be thrown out of post-tion. 3. Being an air cushion of soft rub-ber it clings closely to the body, yet never blisters or causes irritation. 4. Unlike the ordinary so-called pads, used in other transes, it is not cumber-some or ungainly. 5. It is small, soft and pliable, and positively cannot be detected through the clothing. 6. The soft, pliable bands holding the appliance do not give ons the unpleas-ant sensation of wearing a harness. 7. There is nothing about it to get foul, and when it becomes solled it can be washed without injuring it in the least.

be washed without injuring it in the least. 8. There are no metal springs in the Appliance to torture one by cutling and bruising the fleat. 9. All of the material of which the Appliances are made is of the very best that money can buy, making it a durable and safe Appliance to wear. 16. Our reputation for honesty and fair dealing is so thoroughly estab-lished by an experisence of over thirty years of dealing with the public, and our prices are so reasonable, our terms so fair, that there certainly should be no hesitancy in sending free coupon teday.

RETURNED HEROES OF OREGON BATTERIES TO BE HONORED. Banquet, Reception and Ball Are Planned for Tuesday Evening at Multnomah Hotel. Plans for an elaborate dinner, to be followed by a reception and ball sched-uled for Tuesday evening at the Mult-nomah hotel in honor of returning heroes of batteries A and B, 147th ar-tillery, were made yesterday at a meet-ing of the Oregon Field Artillery auxil-lary, held at the home of the president, Mrs. H. F. Wheeler. Reports were circulated yesterday to the effect that Mayor Baker received Chief Johnson's resignation before leav-ing the city last Sunday, but regardless of whether the mayor has the resigna-tion itself in his possession at this time, it is known that he will hold Chief Johnson to strict account for the conditions in the police department during his absence and will oust him from office unless an improvement in police work is effected. familiar with these alleged conditions. The principal reason that many of the officials and men have an apparent lethargy in connection with their work is the failure of proper training of both new and old men. Arrests are said to be made daily without sufficient evidence to warrant arrests. New men, it is claimed, are not given sufficient training to en-able them to know what should be done in the way of gathering evidence when arrests are made.
