Boys Races at Independence.

At a meeting held in the home of Jacob Garban, the

School Principal, it was decided that the school would

be represented in the proposed roller-skating race by

six boys, the race to be held on Sunday afternoon

along the waterfront from the corner of Fourth

and Columbia.

The race will start at the corner of Fourth

and Columbia, and will end at the same place.

The boys will be guided by two police officers,

who will be in charge of the race.

The boys will be divided into two teams,

the first team to arrive at the finish line

to be the winners.
