Course Between Hawthorne and Broadway Bridges Laid Out for Events Wednesday Afternoon.

Under the direction of George W. Kendall, chairman of the water sports for the Victory Rose Festival, all arrangements have now been completed for putting on what promises to be one of the most interesting water regattas that has ever been held in Portland. The time set for the regetta is between 3:30 and 6 o'clock of the afternoon of Wednesday, June 11.

A course has been measured and laid out between the Hawthorne and Broadway bridges. On this course the racing boats will circle the pier of the bridges on each leg of the course. This course will enable the spectators to select points of vantage on the adjacent docks or bridges from which to view the various events.

his workout, prevented exhibitions in both camps.

Dempsey was more disappointed than any of the spectators, as he has been loafing since Monday and was eager to resume training. He wanted to box his partners in his living quarters, but Manager Kearns told him to wait until tomorrow. If the day is pleasant, both boxers will play to capacity houses as they plan to double their efforts after missing today.

Willard complained today that he is finding the change in climate from California to Ohio a hardship. He said that when he left Los Angeles ten days ago his wind was in excellent condition, but the conditions here have affected his breathing. Other members of the champlon's entourage who accompanied him from the coast made similar complaints.
