American Radiator hot-water heat. Most costly plumbing throughout both floors, including shower.
This is the most beautiful bungalow you have ever seen, and you will realize it was never built for sale. Large living room 16x24—plenty of additional bedroom space on the second floor. The price is a bargain for one of the best-built bungalows in Oregon—and, more than that, this ample home has class—it is simply artistic—it has that quiet elegance so seldom found and so difficult to build in a home. An architectural triumph (even the kitchen, so that working in this kitchen is a pleasure) and a home of rare charm.
Seen by appointment only.
