HAVE WE CLOSED OUR BROADWAY STORE?

I'LL SAY NOT.

During the past week I have had this question put to me several times. I'll admit there have been no cars in for the past 4 or 5 days, but there are 3 very good reasons for this absence of high-class cars which heretofore have always invited your inspection at this ever-popular corner.

REASON NO. 1.
We have been refinishing our salesroom floor and consequently could not show any cars until this work was completed.

REASON NO. 2.
There has been such a generous response to our advertising and such an avalanche of sales orders pouring in every day that we almost had to close up for a few days in order to gain our equilibrium and incidentally replenish our stock.

REASON NO. 3.
The boss just returned from a three weeks' trip over the entire coast buying used cars and he sure brought home the bacon, in the form of 29 carloads of almost new used cars. In fact some of them are new. He did not buy anything but the very latest models, the cream of the market, and he sure knows how to buy 'em right, which means that we can sell 'em right.

TAKE A LITTLE TIP.
Buy the car right now. In 30 days it will be practically impossible to buy any kind of a car. Opportunity is knocking. While they last you can buy cars here at prices that prevailed 2, 3 and even 4 years ago, cars that you will be proud of and will give you the same service as new ones. I am willing to list a few of them below and we will be glad to show you the rest of them when you come in.

Your credit is good, your Liberty bonds are good. Our cars are good. "Nuf ced."
