At the Height of the Summer Season

A Sale of "Seconds" Milanese Silk Gloves 79c

—These are seconds of a very fine quality milanese silk glove, classed as second because the scrutiny at this particular factory is so very close that the slightest irregularity of stitching or other imperfections causes a glove to be considered as sub-standard.

—These are in black, white, navy, pongee, gray and mastic, the season's most popular glove for dress and street wear.

—They are in the popular two-clasp style, and with so many women wearing silk gloves all year round this sale affords rare buying opportunities now. You doubtless know that gloves are one of the hardest of all articles to obtain right now, so this special price is doubly unusual.
