

The American Doll

To Make The Doll Stand Up Cut It Out With A Pair Of Scissors And Paste It On A Piece Of Cardboard. Then Cut Away The Cardboard About The Figure. Cut Another Piece Of Cardboard In The Shape Of An Oblong, About Nine Inches Long And Three Inches Wide. Paste The Upper Part This Oblong To The Doll's Back And Bend The Lower Part To Back So As To Brace Up The Doll. (See Upper Diagram)

Next Week a
Bride Doll
With Trousseau
Will Appear On
