                                                                                                                                                                                             By buying your used car from us. The cars listed below are cars that have been traded in as part payment on new Chevrolets sold by us. For this reason we have been very careful in selecting cars that are in the best of condition mechanically. When buying a used car from us you save money, as we are not in the used car business but derive our profits from new car sales, thereby saving you the usual commission made on used cars.
                                                                                                                                                                                                                                                                     SAVE $100.
