PERSONAL PHILOSOPHY. The philosophy of the average man is a failure in a way;
He fails to create assets
Of knowledge as a pay.

The man who claims that a success Is just a matter of luck, Has never learned the meaning Of such words as "grit" and "pluck,"

Few men have thoughts original, As environment is their creed: For knowledge comes through seeking To those who feel the need, We aim to have the grit and pluck And know you can save more On each fall SullT, COAT, DRESS and HAT At the PETERSON UPSTAIRS STORE.
