Men! Women! Save Your Hair!

—If your scalp itches.
—If your hair's fading.
—If you have dandruff.
—If your hair is falling out.
—If your hair is dry or brittle.
—The use of dandruff cures and hair tonics is very much like taking medicine without knowing what you are trying to cure.
—The particular trouble with which your scalp is afflicted must be known before it can be intelligently treated.
—With the aid of a very powerful compound microscope it is possible to quickly determine the exact cause of the trouble, and then the right treatment can be suggested.
—Both men and women are invited to take advantage of The Owl Drug Company's liberal offer of a free examination by the Professor Austin method. Women need not take down their hair for the examination. Professor Austin has a private office on the balcony of The Owl Drug Store at Broadway and Washington street. Hours 10 to 12 and 2 to 4.
