An Invitation to Mothers
of children beginning music
YOU are invited to visit the regular Beginners' Class (not a practiced demonstration) at four o'clock each Thursday till Oct. 17th.

Musical games, rhymes and jingles make practicing a real delight to your children. The Dunning System of Improved Music Study relieves children of the grind over dull scales you worried through. They learn music as natural as they do their games.

Proper Instruction Vital
Improper instruction many times means ruination of a God-given voice or the production of a mediocre performer. At the
VALAIR CONSERVATOIRE DE MUSIQUE ET ART DRAMATIQUE
students may be assured of the proper training, as they will find there a large faculty of European trained instructors, who follow only time-proven methods, and who have themselves been properly trained by world-famous masters.
