

CROP OF CANDIDATES WANTS WHOLE FOR 1920 PROLIFIC WORLD TO KNOW

Mrs. Meyers Gains Twenty-one Pounds Taking Tanlac. Troubles End. Chief Deputy and Constables Want to Be Sheriff.

RECALL REPORTS IN AIR

Election to Oust Commissioners Holman and Hoyt Rumored; Mayor Not in Race.

In circles political the tale-bearers are busy these days discussing prospective candidates for the nominating primaries to be held next spring.

The year of 1920 promises to be a big political year. Voters of Oregon will have presented for their entertainment a presidential campaign, a senatorial race, congressional campaign, election of state officers, a county campaign and a municipal election.

At this time there is more talk of the sheriff office than any other. The incumbent, T. M. Hurlburt, is expected not to seek another term, although it has been suggested that he do so.

For Mr. Hurlburt's present job there are several aspirants and others who are merely mentioned. For example, Martin Pratt, who has been chief deputy under Mr. Hurlburt, is considered a candidate.

Charles Rudeen, who has been somewhat active in politics for the past few years, is a member of the pilot commission and was a member of the committee appointed to make recommendations for consolidation of boards and commissions to the recent legislature.

With Peterson seeking the post of sheriff, Deputy Constable Goss would soon be constable, and Charles Ryan is preparing to take a fling at it himself.

Evans' Candidacy in Doubt. Among those discussed as candidates for district judge are J. W. Bell, incumbent; J. B. Eason, a realization clerk in the county clerk's office; Joseph Hammersley, deputy district attorney, and Martin Hawkins, an executive man.

Whether District Attorney Evans will seek another term is not known. If Evans does not run, Arthur A. Murphy, a service man, formerly a deputy under Evans, will enter the field.

Recall Report in Air. John W. Cochran, former deputy county clerk, is being groomed for county clerk, and Joseph W. Beveridge is planning to retain the job for another term.

County Commissioner Muck will offer his services for another term, but there will be opposition. There is even rumbling that a recall election may be staged against Commissioners Holman and Hoyt at the time of the primaries, in which event there will be an intensified campaign for three new commissioners.

Men mentioned for the republican legislative ticket are: Franklin Korrell, a service man; Wilbur Henderson, another overseas man; Stanley Myers, who was called to Washington for service; and Conrad Olson, a former member of the legislature.

Mayor Out of Race. In the municipal election held next year to fill the offices now occupied by Mayor Baker and Commissioners Mann and Barbur, whose terms expire in 1921, less interest is taken than in the county campaign. However, the gossip is busy just the same.

Men mentioned for the republican legislative ticket are: Franklin Korrell, a service man; Wilbur Henderson, another overseas man; Stanley Myers, who was called to Washington for service; and Conrad Olson, a former member of the legislature.

When I think of the great good Tanlac has done me," continued Mrs. Meyers. "I actually yearn to tell everybody in the world about it, especially those who suffer as I did. I had an aggravated case of stomach trouble which had been pulling me down for years and had finally gotten the best of me. My condition was so bad for a long time that I had to live on a milk diet and never dared touch anything else. Even this light diet would cause me to have a headache and be perfectly miserable for hours afterwards. My nerves were in terrible condition and it was out of the question for me to get a good night's sleep. My husband spent hundreds of dollars for medicine and treatments, but I just kept on going downhill all the time. Specialist after specialist treated me. I was so blue and discouraged over my condition that I just felt like giving up altogether.

"I was looking over the paper one night and I noticed a statement about Tanlac, and when I told my husband that I had a notion to try this medicine he laughed and said, 'Well, I don't suppose it will hurt you any way, and if you want to try it I will get it for you.' Well, I commenced taking Tanlac then and to my great surprise I felt a change for the better before I had finished the first bottle. Of course I bought more Tanlac and when I had finished the second bottle my appetite had come back and for the first time in ten long years I could eat a hearty meal without suffering afterwards. I have just finished my fifth bottle and I can truthfully say that I am as well as strong as I ever was in my life. We own and live on our ranch and I am going right ahead putting up my fruit all by myself. I never have a sign of stomach trouble and indigestion and I eat just anything I want. My nerves are in perfect condition and I can sleep as peacefully as a baby. I really don't see how my health could be any better and as sure as I stand here now, I owe it all to Tanlac. I am under lasting obligations to this wonderful medicine and feel that it is my duty to give this statement so that I may help others who suffer as I did."
