WHY SPOIL THE ILLUSION?

If you were listening to one of the world's great artists and at the conclusion of the selection you were forced to rush acress the room and stop him, wouldn't it spoil your enjoyment of the whole performance? This is just what takes place if you have one of the ordinary talking machines. Now with the new COLUMBIA GRAFONOLA your sense of enjoyment is complete, due to the fact that the COLUMBIA GRAFONOLA comes equipped with a new and exclusive device that stops the mechanism as soon as the music stops. No setting for the different length records. It unfailingly stops on large and small alke.
