

ARMISTICE BELLS TO RING AGAIN TUESDAY

Portland Prepares to Duplicate Great Celebration.

FIGHTERS JOIN THIS ONE

General Holiday, Decorations, Street Parade, Public and Other Festivities Programmed.

As the whistles and bells of the city heralded the signing of the armistice a year ago, so shall they echo again on Tuesday, when city, state and nation will celebrate the first anniversary of the memorable day that brought news of the termination of the world war. Every effort will be made to make the 1919 celebration a replica of that a year ago and once more war activities will be mobilized and overseas veterans will march.

Clanging of horns, church bells, whistles and noise-makers early in the morning will announce the arrival of the day of rejoicing. There will be few dull moments from then on, as the festivities will include presentation of captured German cannon to the city, the decoration of two war heroes with medals, a football game, parade and dance. The game, scheduled for 10:30 A. M., at Multnomah field is to be between James John High and Benson Polytechnic school. Veterans of foreign wars will be invited to the Multnomah hotel Tuesday night.

In order that everybody may take part in the day's war veterans, sons of veterans and Mayor Baker have proclaimed a holiday, the school board has granted one to the children and all merchants affiliated with the Greater Portland association and most other business places will close for the day.

Parade to Start at 1:30.

A parade, starting at 1:30 o'clock in front of the court house, will be an outstanding war-time organization. Colonel H. E. Doech will be grand marshal, aided by Captain James F. Shaw, commanding the military section, and Harry Allen in charge of the municipal and fraternal divisions.

The first section will be led by the police and the navy band, followed by regular army troops and Oregon National guard. Veterans of the world war, including the American Legion, Canadian veterans, Aero club of Oregon, marines and recruiting staffs are next in line. The remainder of the section is made up of the G. A. R., Spanish American war veterans, Sons of Veterans, Multnomah Guard and band, fathers of soldiers and sailors, Boy Scouts and drum corps, women's auxiliaries, Red Cross workers, and teen girls, American Library association, Salvation Army and band, Knights of Columbus workers, M. C. A. and Y. W. C. A. war workers, War Camp Community service, Jewish Welfare League, and other patriotic organizations that desire to participate.

In Mr. Allen's command will be city, county and war-drive officials, fraternal organizations, including the Elks and Shriners, labor organizations, floats entered by men and women, and wounded war veterans in automobiles. Civil war veterans also will ride in autos.

Programme at Auditorium.

The parade is to terminate at the municipal auditorium, where a programme of music and speaking will take place. Mayor Baker, acting as chairman, Assembly will be sounded by a bugler and the invocation will be pronounced by Rev. J. E. Snyder, pastor of the Third Presbyterian church. Organ numbers by Frederick W. Goodrich, and community singing will precede addresses by E. P. Irvine and Edward Cokingham. Dedication of the cannon presented the city will be in charge of Dr. E. H. Pence, pastor of Westminster Presbyterian church, and presentation of the two war medals in honor of Broadway and Hunt. Mrs. Rose Courson Reed is to lead in the singing of "The Star-Spangled Banner" and Chaplain Hooper will deliver the benediction.

The entire programme is to be carried out strictly on schedule and veterans and others taking part in the parade must arrange beforehand to march. Those wounded veterans who wish to ride in cars should phone Liberty temple and make arrangements there for transportation.

Practically no business will be carried on in the city. City and county offices have announced they will not be open all during Tuesday. City and county offices are also to have their doors locked.

All Walks Represented.

People from every walk of life will participate in the parade. Several hundred school children, members of the Boy Scouts and Junior Red Cross, are to be in line. The American Legion expects to have at least 2000 men out, although they will not be in uniform, all others interested in war work are to be in official service regalia.

Special features will be carried out by the Red Cross in an effort to promote the annual membership drive. As soon as the parade is concluded members of the American Legion will aid by selling buttons among the crowd. Between 300 and 400 of those in the Douglas county unit of the Red Cross are to take part in the procession.

Shipyards are planning to enter floats and banners and probably will put on a number of comic stunts.

Flags and patriotic decorations will be put up along the line of march and on every municipal building.

Downtown merchants have agreed to have special window displays to conform with the spirit of the day.

In addition to the general noisemaking in which everyone is expected to take part, the committee is providing musical features. The police band of 40 pieces, in charge of T. H. Willett, is to lead the second division of the parade. Many patriotic organizations will bring their own musicians. Walter Jenkins, leader of the War Camp Community Service singing, is to be in charge of a community sing during the auditorium programme and will be assisted by 200 high school girls.

Turnout Final for Many.

Many war organizations will be called out for the last time Tuesday and efforts will be made to have them as well represented as possible. The National League Motor squad of Portland is one of those that will end its service on armistice day, when the women drivers are to transport wounded veterans and G. A. R. members.

The procession is to form promptly at 1 o'clock in the neighborhood of the courthouse, special streets having been assigned each section. It will move west on Main to Broadway and thence north to Morrison and east on Morrison to Sixth, then north on the west side of Sixth to Ankeny. It will then counter-march on the east side of Sixth to Morrison, go east

The Quick Way to Stop a Cough

This home-made syrup does the work in a hurry. Easily prepared, and saves about \$2.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good.

Pour 2 1/2 ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use molasses, honey, or corn syrup, instead of sugar syrup, if desired. Thus you make a full family supply—without costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly breaks the inflamed membrane which line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for its healing effect on the membrane.

To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or your money refunded. The Finley Co., Wagon, Ind.—Ad.

BIG FAMILY TO GET PRIZE

WAR STAMPS WILL BE GIFTS TO CHILDREN.

Title and Trust Company Encourages Use of Savings Certificates as Christmas Presents.

Each child in the largest family in Oregon will receive a \$5 savings stamp for Christmas. The gift will be made by the Title & Trust company and the object is to encourage the giving of savings certificates to children for Christmas. The contest closes on December 1, and contestants are to submit their claims to the Title & Trust company, Portland, Or.

"We are sorry that we have not been able to give more notice to this campaign," said President Smith of the company, "but the contest will be open to December 1 and persons who expect increases in their families may estimate such additions and if their expectations are realized by 9 A. M. on the morning of December 1 full consideration will be granted."

According to the rules of the contest, all children must have the same father or mother, but a single venture into the sea of matrimony is not required. If the mother has had more than one husband the issue of all unions will be counted. The same is true of the father. All children must be either full or half-brothers and sisters.
