

ROOSEVELT CRUSADE TO GO ON THIS WEEK

Multnomah to Make Final Effort to Raise Quota.

COUNTY DEFICIT \$2855

Popularity of ex-President's Principles of Americanism Assure Success for Campaign.

Another week of activity in which Multnomah county will register its final effort in the memorial fund for Theodore Roosevelt was announced yesterday by the state executive committee of the Roosevelt Memorial association. This decision comes as the result of messages exchanged with national headquarters in which the

have a strong delegation at the meeting in Eugene next week to consider the proposition of bonding the county for roads. This city is the center of a number of valleys and has eight roads converging into it. With this number of highways in which they have such a vital interest, the people here want to make certain that this end of the county is well provided for in any proposed road measure.

ROAD SCHEMERS BLAMED

Douglas Property Owners Protest Change in Boundaries. ROSEBURG, Or., Dec. 6.—(Special.)—That the county court was misled by schemers in changing the boundaries of the Hubbard creek road district, and that many property owners are required to contribute taxes to a community where they receive no benefit, is the charge of a large delegation which appeared yesterday before the county court and asked that action be taken to relocate the lines. It was asserted that during prunepicking season, a move was put on foot by a few of the Hubbard creek residents to change the boundaries to turn all the special road funds into the improvement of a short stretch of road. They were successful in getting a petition, and as the farmers of the Cotes valley section were busy with their fruit they did not see the published notices for change of boundaries or the announcement of the road district meeting.

bers of the lodge were welcomed back, and the service flag and honor roll retired with appropriate ceremonies. On December 11 the lodge will hold its sixth annual dancing party.

HANSEN FORCED TO QUIT JOB, HE SAYS

Had Rheumatism So Bad He Couldn't Work—Gains Ten Pounds and Feels Fine Now.

"I was in an awful bad condition when I began taking Tania, but if I ever felt better in my whole life than I do now I do not remember it," said Pete Hansen, who works for the Marshall Wells Hardware company and resides at 430 Salmon street, Portland, Or., recently. Continuing, he said: "Last February I had such terrible rheumatic pains in my legs and arms and my hands would swell and pain me so I had to quit work. I could get hardly any sleep at all. I was in such misery, and would just roll and toss and groan all night long. I was so nervous I could not stand the children playing around the house and the least little noise out of the ordinary would completely upset me. I had a very poor appetite and what little I did manage to eat did not seem to do me any good. My kidneys worried me a great deal and I had the worst sort of backache. I was so weak I would have to catch hold of something to pull up when I stooped down, and it felt like it was breaking in two. "I had been reading a lot about Tania in the newspapers and I read of one case that was exactly like mine and sent for me a bottle. I began to feel better after I had taken the first bottle, and I kept on taking it, and now after taking only five bottles I am back at work and can do as much as I ever did and am perfectly able to do the heavy lifting work calls for. I am entirely free of the rheumatism and the pains in my back have all gone, and my kidneys never trouble me one bit. I have a fine appetite and can eat anything I want and never suffer any bad after effects, and have gained ten pounds in weight. My work is as steady as can be and I sleep like a log every night and get up in the morning feeling simply fine. "My son-in-law was in a badly run-down condition and I recommended Tania to him and he tells me he is feeling like a new person since he began taking it. "I am recommending Tania whenever I get an opportunity, and am always glad to do it. "Tania is sold in Portland by the Owl Drug Co. Adv.

CHELLIS, Wash., Dec. 6.—(Special.)—The Chehalis high school carnival held last night at the high school attracted the largest attendance of any event of its kind ever held here. KEISO TO VOTE ON ROAD BONDS

KEISO, Wash., Dec. 6.—(Special.)—The board of county commissioners at their meeting this week decided to submit the proposition of a road bond issue to the voters of the county early in February.
