CHEHALIS, Wash., Dec. 13.—(Special)—Lewes county's quota for the Jewish relief drive, scheduled to begin December 22 and close December 28, is \$6500 and plans are now being laid to secure the subscription in record time, as has been the case in all the drives that have been made in this section. N. B. Coffman, well-known Chehalis banker and leader of war activities in Lewis county, has been designated as county chairman of the drive by L. H. Burnett of Tacoma, who has charge of the drive in Washington district. Mr. Coffman is assisted at this time by S. H. Ansell of Tacoma, who is helping perfect the final arrangements locally for the campaign. Circular letters are being mailed out calling attention to the urgent need of the funds asked. Special attention is called to the splendid manner in which the Jewish people responded to the call for aid during the war and their general disposition to support charitable work whenever asked to do so.
