with heavy curtains of blue and gold forming the valance and draperles. Two stuffed peacocks, for which it was necessary to send all the way to Ceylon, India, will be on either side of the stage and throughout peacocks and the peacock feather will predominate.

"Incidentally, peacock feathers are supposed to bring the worst kind of luck to the theatrical world. However, if Mr. Jensen had gone on superstition and what persons thought and said he probably still would be running his first house at Long Beach, Cal., with a seating capacity of almost 200. In his Long Beach day Mr. Jensen took tickets at the door, ran the operating machine, and on one occasion substituted for the illustrated song leader. He always claims his debut as a singer was a success but nevertheless, he declines to ever repeat it.

"The first thing Mr. Jensen tackled"

also has a word. The Columbia will run an extra show on New Year's eve with a few special features. Decorations consisting of "electric lights lighted" and cut flowers and greens will be in evidence. The special New Year's number will be musical for the most part.

eve matinee THE MIRACLE OF LOVE' HERE

Lucy Cotton Has Chief Feminine Role in Picture at Peoples.

Lucy Cotton, who has the chief feminine role in "The Miracle of Love," the picture at the Peoples the ater this week, is a Texas girl who has sprung into much prominence, recently for her fine work on the stage and screen. Miss Cotton started her dramatic career in "The Quaker Girl," playing second understudy to the sta-until a fortunate (for Lucy) acciden gave her the opportunity to appear in the lead and attract attention of the the lead and attract attention of the manager and the public. That was the beginning of a speedy rise to fame via "Little Women," "Turn to the Right," and "Up In Mabel's Room." In "The Miracle of Love" Miss Cot-ton has the part of a young English duchess, married to a worthless sobleware who endures har fate until

ing temperatures and bad air.

New Ventilation System Installed.

"The lighting will be all changed and will be controlled from the operating room, the most modern lighting and will be controlled from the operating booth. The rest rooms will be electrically operated and controlled from the operating booth. The rest rooms will be complete in every detail with competent maids always in attendance. They will be newly furnished and decorated. When completed they will be in line with the comfort and cheer of all the rest of the Jensen & Von Herberg theater rest rooms.

"New seats will be installed. We have had a great deal of difficulty getting these new seats, but Mr. Jensen gaid he was going to have them, and we are. The manufacturing company said they could not possibly get deliveries before June 1 and Mr. Jensen insisted he must have them by January 1. They will be delivered sarly in January. They will be delivered and the lighting the search of the lighting will be his and that he will be his his officially on the designing of posters and place of the word. "Turn to the Milist "Little Women." "Turn to the Milist "Little Women." "Turn to the Milist "Little Women." "Turn to the Milist "And "Up in Mabel's Room."
