Suburban Homes.

ONLY $8800 for this 5½ big acres of land of the best quality, every inch of it in cultivation; every inch of it lies splendidly; just out in the Gresham City Park district, close to East Glisan st. and the Base Line road; on a good highway; you have all of the city conveniences, including city water (Bull Run); there is a large, well-selected orchard of pears, cherries, apples, prunes and other fruits in commercial quantity. This is a good-paying orchard. This place is also the best-equipped with numerous buildings for chickens and all kinds of poultry, brooder houses, etc. There is a good, substantial house, a large part of which is new, and the rooms are plastered. The buildings on this place cannot be replaced today for a less price than $4000. All right, you have me with the buildings 5½ acres of land, of which location and surroundings you could not ask for better; everything goes for the small sum of $5800; $2000 cash will handle it. To see this is to buy it on the spot.
M. J. CLOHESSY, ABINGTON BLDG.

Only $3000, and what you get for these few dollars will startle you. Here is 1 acre of land, well improved; an abundance of fruit for family use. With this land goes a good, very substantial 3-room house, practically new. You can have all of the city conveniences in this house, as there is city water, gas, etc. It is only a short walk to the 8c carfare; you drive almost to the gate over hard-surfaced and paved roads. There is a city school only a block away. What more do you want? $1000 in cash will handle this and provides you with as good a suburban home for $3000 as any dollar's be post by the real estate owner who is speculating on his property. Let's boost your pulse and begin to have those doing sensations. Then on the fine showing he makes on your rent money he sells the property. Behold! Here like Banquo's ghost comes has been knocked off the Christmas tree, and you again begin to move about for your home we have got this, a very rarily light.

Let me help you out of this unhappy position. For a small payment down I will sell you a choice homesite, with improvements in the street and paid for, near Multnomah, on the Oregon Elec. Ry., that choicest of suburban districts just southwest of the city of Portland. Make the effort. Get a start. If you can't do better, put up a tent house this spring and save enough money to make a permanent building by autumn. It takes an effort, but it is worth it.

See me for particulars at 404 Platt bldg., 127 Park st., and I shall be glad to show you how this can be accomplished.
