In whatso'er we do

Drawn by love's eternal beauty. Socialists cannot be loyal to their sanctity—with a definite implication—indeed, outright assertion in certain cases—that the commercial interest must give way to them. The public welfare does not harmonize with any such programme. It lies distinctly with industry, and not mere sportsmanship.

The communists everywhere support evisitionary movement against the existing social and political order of things. They openly declare that their ends can be attained only by the forefole overthrow of all existing social conditions.

Then socialists cannot be loyal to their party and the United States at the same time, for Karl Marx, father of the party, calling them communists, who have been against the existing coalition with the unionists. The existing coalition has suffered a notable loss of popularity since it ing books may easily read two dozen good books a year without inffinging on his secured an unprecedented majority since it ing books may easily read two dozen good books a year without inffinging on his secured an unprecedented majority in parliament in. December, 1918, and the labor party has made equally notable gains. The coalition's losses distinctly with industry, and not first the party, calling them communists, wrote:

Can't the ad-satellites of King George are filling. fore a court-martial, but when his at-"King" George, he was promptly acquitted.

A young soldier, who has traveled much in the trail of war, sends this to the Living Age: "I am at Haifa, Caimly, clear-eyed Reason paused bewhich is now the most important by numerous "drives" oughtn't to be coastal town in Palestine. The exdisturbing. The real article is worth kaiser visited the place in pre-war days and passed on to Bethlehem, A Canadian soldler who heard of this

"Enough should be plenty for you or And I notice the food you strive to The stars were wondrous bright to me clutch

The farmhand gathered the honey Or never sparkle more. Everybody line up to welcome "I won't be stung by no profiled."

Washington Star.

But they've become a world mon bright
Since I first spoke with you:
For now I know that every night
You're looking at them too.

— Washington Star.

Twilight. By Grace E. Hall.

opening a "book and art lovers" tav-ern" in a hotel in New York. The And the red and gold of sunset with the twilight silver blends.

> Feathered flocks come honking homeward from the brook; the cows struts the path, his head held

the field half green, half fallowed, comes the farmer with e West, her gray robe donning spurns the sua's last proffered gleam.

Down the woodland path where nature flaunts her treasures everywhere, the lad and lassie strolling from the school house bleak and bare: By the creek that speaks a language

never printed in a book Loitering, they too are speaking shyly and with bashful look Gathers he the purple trillium from the wilderness of bloom

Scotch broom Lady fair and lad devoted, onward twilight, going home

ase the years on wings of gladness when two lives are quite serene, And a vine-wreathed cottage nestles now against that woodland while a baby's prayer at twilight lisped beside the mother's knee.

a halo-dazzlingly

Near-by brook, in words unfathomed calls forever as it flows,
And its lure is heard and answered
by a happy pair that goes Down the woodland path unheeding. dog and child with joyous cry.
And the ranger lingers, smiling, in
the sunset, passing by.

During feet go splashing outward in the waters clear and cool While the dog gives keen attention to his image in the pool; Comes the boy with speckled beau-ties, and the partners take the trail

That shall lead them to the cottage ere the twillight drops its veil Then the voices of the city claim the child to manhood grown, And there comes the world-old part

ing that all parent-hearts have known; Sad the farewell sweet and tender to the scenes of childhood days. Once again the home is silent; only

two sit by the door; And the dog seems ever watching for the one who comes no more While the brook is calling, calling, as they listen, sad and lone And they catch a baby's laughter in the music of its tone

the Casa Grande, about which so a shrine of vanished years, much has been written, and which and they keep its meaning verdant has excited much interest among with a mist of loving tears; But in time the peace of twilight softens pain that comes And each soul assumes new beauty

from the cross that's bravely comes the swirling snow While the mystic folk are slowly

* turning off the garish light: Locks of brown have turned to a ver, life takes on the twilight man and woman waiting in the firelight dream alone.

oking out beyond the where the West in turning gray. have pierced the twilight They shadows, glimpsing God's eteranal day.
And beyond the road of sorrow that

There's a stream where boats are

and go.

And at twilight gross the harbo where a White Ship walts for them.

LIFE'S TRUE SIGNIFICANCE. The "good provider" who was the pride of his wife for insisting on always having a sack of dry granu-And the earth is pledged for pay-

Then we learn the art of living. And to live and learn is best

-BYRON T. KING

AFTERMATH.

side a gate. Looking farther on before he en-Fancy Free came lightly, ne'er a moent's wait, Ope'd the gate, on clouds her vasion centered.

Reason followed slowly, seeing Fancy float. Oft he paused with stones to mark the path; Fancy perished weakly in an unseen most,
While Reason found a bridge to aftermath.
