ANNOUNCEMENT

The Northwest Bluebird Company, distributors for Oregon, Washington and Idaho, announce the appointment of the Electric Service Company, of Portland, as an authorized dealer for the sale of the famous Bluebird Electric Clothes Washer in this city.

SEE THE BLUEBIRD MONDAY

Beautiful Bluebird is here—and tomorrow will be on display and will be demonstrated at the handsome new quarters of the Electric Service Company—"The Bluebird Store," at 128½ Tenth street, just a step south from Washington. Be present, please, and we will explain how Bluebird can bring happiness into your home.

See Bluebird—its graceful white enameled cabinet—its extraordinary conveniences will delight you. And, too, let Bluebird do the next washing in your home—just as a demonstration and without a cent of expense or obligation on your part. Then if you wish, you can keep Bluebird for your own. Our generous terms are very easy to meet.
