in the interest of patriots in particular and the conomic attuation in Oregon in general.

A total of 604 ex-soldiers and saltors who are out of employment were registered when the books closed last night AT LIBERTY TEMPLE.

These men, as everyone knows, enlated in the great war and served faithfully, courageously, sacrificingly, to the end to sive all if need be, for you and humanity, for freedom and democracy.

Are we going to take care of them? Are we going to take care of them? Are we going to take care of them? Are we going to take part in the self-complacent atitiode that "my payroll is full, I am carrying all on my payroll that it will stand, I can do no more?? That is a short-sighted view to take of the matter. Think, think, Mr. Employer; go into the matter for your best interests; analise it to a finality, welch all the merits of the situation, consider the results of thevicable action, remember that employers everywhere are revising and reconstructing their payrolls to any extent necessary to absorb the unemployed service men, keep in mind that many of these men have familles to support and they MUST have work; be assured that every man's record is underwritten by the American Legion; and take the interest in this matter that will result NOW—TODAY—in favorable individual and collective action by Oregon employers in furnishing immediate employment for these memployed patriots.

Phone Captain Conville, Main 513, and he will take prompt and intelligent action in the matter in securing "the right man for the right place."
