NOTICE AUTO STUDENTS.
THE ADCOX SCHOOL ORIGINATED THE FIRES TRIAL OFFER. A therough investigation will satisfy you that schools trying to imitate Our METHODS have nothing but a WEAK SUBSTITUTE TO OFFER.

HERE'S HOW WE PROVE IT.
Come here four weeks—pay not a cent in advance. It you are then satisfied that our training is the superior of any other Pacific northwest auto school, pay your tuition. If you are not satisfied that our school excels, we will pay you far every hour you have attended class. This is the most startling offer any auto school ever made—there is ne red tape to it—we gladly will put it in writing. We are willing to depend entirely upon your homesty and good judgment. Only a different, unquestionable auperior school could make such an offer. If our training were just the ordinary kind, this offer would be suicidal. But we know where we stand—know that the quality of our training well win you if given a trial. We will make you an offer that, you camput afford to turn down. The details of this unusuals offer sand full particulars of the remarkable Adcox course are found in a large, impressive book, which has just lately come from the press. Those who have seen it pronounce if the mont finished work of its kind ever published. Tells why automobile schools are different—why Adcox graduates are successful—tells you have to judge an automobile school—what counts and what is sham. It will make you, a friend of the Adcoa school in the mont you start to read it. It costs us 65c but we will send it to you absolutely free for the asking. Call in person at the school open for inspection from 10 to 12 A. M. daily.
